

SET DATES FOR 99TH BATTLE ANNIVERSARY CELEBRATION

The 99th Battle Anniversary program of the Gettysburg Fire Department will be held July 1 through 7, the anniversary committee decided Wednesday evening at a meeting in the engine house.

The annual memorial service will be held Sunday, July 1, in connection with the visit to Gettysburg of the Governors' Conference, being held this July in Pennsylvania.

July 2 the Pennsylvania Reserves will be honored with a program on Little Round Top and July 3 the participation of the North Carolina troops in Pickett's Charge will be marked.

PARADE JULY 4

The annual parade will be held July 4, with the group voting to hold the parade at 4 o'clock in the afternoon because of the holiday. In prior years when the parade was held later in the week it was scheduled for early evening because of inability of units to be present earlier.

The annual festival will be held at Recreation Park from July 2 through July 7.

The anniversary committee voted \$1,200 to be distributed in prizes, but left up to the parade committee the division of that amount into prizes for different categories of entries in the parade.

\$1,000 FOR FIREWORKS

The sum of "approximately \$1,000" was allocated to the fireworks committee, but final action on the amount to be granted will be taken after the committee in charge headed by C. William Zhean can obtain a schedule of costs of proposed fireworks. Following much discussion it was decided to continue the practice of having fireworks each evening during the festival period.

Preliminary plans were reported by various committee chairmen present. It was decided that the annual solicitation for funds will begin "about the middle of May" with the exact date to be decided at the next meeting.

ANNOUNCE CHAIRMAN

Anniversary Chairman Robert S. Neary announced this general committee: General chairman, Martin C. Crabill and Harold Dayhoff; treasurer, C. William DeHaas; secretary, William G. Weaver, and R. Thomas Adams. (Continued On Page 3)

POSTMASTERS HOLD ELECTION

Preston Allison, Shrewsbury, has been elected president of the York-Adams Postmasters' Assn. to succeed Wayne T. Schwartz.

Forty-two members attended the reorganization meeting and dinner at the York-New Salem fire hall.

E. Phillip Tyson, Gardeners, was elected first vice president; Harold Eichelberger, Lewisberry, second vice president, and Luther E. Kunkle, Mt. Wolf, secretary-treasurer.

Regional director, Glenn Rohrbach, Jefferson, named county directors as follows: Adams County, Phillip Tyson, Gardeners, and Charles Heffner, Arenzville; York County, Luther E. Kunkle, Mt. Wolf, and Lester Stabley, Laurel.

Wayne T. Schwartz was named as membership chairman for the Pennsylvania chapter for the ensuing term.

The next meeting is scheduled for February 21 at 7:30 p.m. at the Abbottstown fire hall, with Mrs. Nellie Stambaugh, postmistress, as hostess.

MAKING PROGRESS

Miss Ellen Frances Rice, daughter of Ambassador to the Netherlands and Mrs. John S. Rice, who was seriously injured in an automobile accident in England several weeks ago, is reported doing satisfactorily in the Royal Hampshire County Hospital, Winchester, England. She is expected to remain a hospital patient for three months.

DIRECTORS TO MEET

The board of directors of the Adams County unit of the American Cancer Society will meet Tuesday evening at 8 o'clock in the board room of the Warner Hospital, Henrietta H. Blocher, executive director of the unit, has announced. President John MacPhail will preside at the session at which plans will be made for the 1962 Cancer Campaign.

Green Blocks Dilworth Bid

HARRISBURG (AP) — The campaign of Philadelphia Mayor Richardson Dilworth for the Democratic nomination for governor appeared in trouble today — 12 days before it is due to start.

The stop-Dilworth movement is headed by U.S. Rep. William J. Green Jr., Philadelphia Democratic chairman. He said Wednesday, following a three-hour meeting of Democratic policy makers:

"If I had a favorite in Philadelphia, it would be my good friend L. Gov. John Morgan Davis."

Dilworth is barred by the Philadelphia city charter from announcing his candidacy for another office unless he resigns. He has resigned, effective Feb. 12. It is generally expected he will announce his candidacy for governor.

While no agreement was reached on candidates, state Chairman Otis Morse said: "We made some progress. We will meet again Feb. 14."

HARPER SAYS PEACE IS GOD'S WILL IN WORLD

Prayers for peace are not recommended as a last resort after armaments, appeasement and treaties have failed, the Rev. Donald L. Harper, pastor of the Memorial EUB Church, told a congregation in his church Wednesday evening as the Gettysburg Ministerium's Preaching Mission series came to a close.

"We should pray for peace because we believe in the omnipotence of God and because we believe He rules supreme over the affairs of men. We should pray for peace because God is a God of love and because we believe world peace can begin with us as Christians as part of the renewed church we've heard about this week."

"God's will is that the world shall be won for Jesus Christ and it must be the Christian's prayer in these days that God's will be done," the preacher concluded.

ANNOUNCES CENSUS

Wednesday's service was the fourth and final in a series that opened Sunday evening and continued for four evenings. The general theme for the series was "A World at Peace through a World at Prayer."

The Rev. Dr. Paul L. Reaser, pastor of St. James Lutheran Church and president of the sponsoring Ministerium, conducted the worship service Wednesday evening. The special music was by the choir of the host church under the direction of Miss Evadell Crider.

The Rev. Mr. Harper opened his sermon by reviewing the keynotes of the messages presented at the preceding services and then discussed the "will of God and the world mission of the church in bringing about peace."

He said the mission of the church (Continued On Page 2)

CONDITION SATISFACTORY

Mrs. Myra Hudson, 30 York St., is reported in satisfactory condition today in Harrisburg Polyclinic Hospital where she submitted to major surgery last Friday.

CHIMNEY FIRE

Gettysburg firemen were called Wednesday night at 9:30 o'clock to a chimney fire at a house owned by John Hostetter and tenanted by Ellwood Stanner, west of here just north of the Fairfield Rd.

20 Nations Condemn Cuba For Joining Russian Bloc

By WILLIAM L. RYAN

MONTEVIDEO, Uruguay (AP) — Secretary of State Dean Rusk headed for Washington today to report to President Kennedy on the hemisphere foreign ministers' conference on Cuba which already was arousing repercussions in Latin America.

The conference split on the crucial issue—immediate action to expel Cuba from the Organization of American States—already reportedly had generated pressure from conservatives on the Argentine government, one of the six which held out for a go-slow approach.

In Brazil and Mexico, the two other major powers in the "soft-six" bloc, reaction was mixed with some expressions of anxiety over the outcome of the conference.

FEAR AGITATION

Some observers in Mexico feared the 20-nation condemnation of Cuban communism would spur leftist agitation in that country.

E. B. BULLEIT GETS HIGHEST SCOUT AWARD

Attorney Edward B. Bulleit, 547 Hillcrest Place, was presented with the Silver Beaver award Wednesday night at the 45th annual fellowship dinner of the York-Adams Area Council of the Boy Scouts of America in the Hotel Yorktown at York.

EDWARD B. BULLEIT

Attorney Bulleit became the fifth Gettysburg man to be presented with the award, highest that can be offered by the York-Adams Council, in the 31-year period during which presentations have been made.

Prior Gettysburg residents who received the award were the late Charles W. Beachem in 1936, Dr. W. E. Tilberg, who re-established Boy Scouting in Gettysburg in 1943, the late Oscar H. Benson, who founded local Scouting and the 4-H Clubs in the nation, in 1946, and District Attorney Daniel E. Teeter in 1958.

TWO GET STATUETTES

Two countians received the district statuette award at Wednesday's dinner session. They were Joseph E. Sunbury, Biglerville, for the Black Walnut District and County Superintendent of Schools C. P. Keefe for the Conewago District.

The citation accompanying the award to Attorney Bulleit noted that his "efforts have contributed richly to the council's sustained growth and wholesome influence."

The local attorney was chairman of the Black Walnut District committee for several years starting in 1949. He then became a vice president of the York-Adams Area Council, later served from 1957 through 1959 as chairman of the two-county Scout council. Since then he has continued as a member of the executive board of the York-Adams Area Council and continues to serve as its National Council representative.

The citation said that his interest "is not limited to Scouting." (Continued On Page 3)

Gettysburg Grad Gets York Position

Mrs. Patricia A. Mummert, a recent graduate of Gettysburg College, has been appointed a caseworker in the office of Children's Services, York, effective today, it was announced by Mrs. Ora Gruver, executive secretary. She replaces Mrs. Bonnie D. Wysocki, Gettysburg, who served in that post for six months before resigning in December.

Mrs. Mummert, the former Patricia Powers, daughter of Mr. and Mrs. Clarence S. Powers Jr., York, majored in psychology and graduated last month from Gettysburg College. She is currently residing here while her husband is attending college.

Criticism Of Juveniles In County Not Justified Now

"As of December 31, 1961, criticism of juveniles of Adams County is not justified," Probation Officer D. M. Anderson wrote in his annual report to Judge W. C. Sheely.

The report shows 163 children appearing before the court during 1961 compared to 173 in 1960. Juveniles appeared for 127 hearings covering actual delinquency, violations of the motor code and cases in which the children were neglected by parents.

One hundred five, including 93 boys and 12 girls, appeared on delinquency charges, one more—a boy—than appeared before the court on delinquency charges in 1960.

Fifty-eight, 49 boys and nine girls, appeared for motor violations compared to 69, 56 boys and 13 girls, in 1960. Of the 58 before the court on motor violations, 41 had their operator's licenses suspended.

Twenty-six youngsters, 19 boys and seven girls, were placed on probation during the year, compared to 36 placed on probation in prior years.

Three boys and four girls were committed to institutions, compared to seven boys and three girls sent to institutions in 1960. Anderson's report also noted that "the girls committed to institutions were committed as neglected children and due to the conditions involved foster home placement would not be satisfactory."

15 "REPEATERS"

According to the report, 16 juveniles, five boys and five girls, were released from institutions during the year and 44 were released from probation. As of December 31 there were 59 juveniles on probation in the county.

Of the 163 children appearing before the court in 1961, 15 were "repeaters"—that is, had been previously before the court within (Continued On Page 3)

FPA SPONSORS DISCUSSION OF U.S. POLICIES

A "Great Decisions" program offering citizens in Adams County the opportunity to review the most important problems and policy decisions the United States is facing today is being made available to groups or families through the Foreign Policy Association of Harrisburg.

Dr. Chester E. Jarvis, head of the political science department at Gettysburg College and a board member of the Foreign Policy Association, is in charge of the program locally. He said that over 1,000 communities in 50 states now are participating in the program. The association in Harrisburg is the headquarters for the Central Pennsylvania area.

"The program is based on the assumption that citizens in a democracy have a responsibility, as well as a right, to be informed and to be consulted on issues and policies that are formulated and proposed by their leaders," Jarvis said.

The program consists of a "Great Decisions" kit prepared by the Foreign Policy Association for use by discussion groups. Each kit contains a set of fact sheets, one for each of the critical issues in this year's program. There is an introductory summary of background information as a basis for discussion and a set of opinion ballots. Each fact sheet contains a brief bibliography, pronunciation guide, maps, graphs, charts and information on source material.

JANUARY WAS COLD BUT NOT LIKE YEAR AGO

January was colder than normal but not nearly as cold and snowy as January of 1961. Daily temperatures in Gettysburg last month averaged more than three degrees below normal but that average was about five degrees above the daily average for January, 1961, Gettysburg Times weather station records showed today.

Even though January weather was less rugged than the same month of last year, the current weather is going into the records as a very cold one. December weather was colder than normal and each day of January was 3.32 degrees under the January normal of 33.2 degrees.

Daily high readings last month averaged 38.35 degrees while the daily low averaged 21.52 degrees. The extremes were 6 above zero on January 11 and 12 and a high of 56 degrees on the afternoon of January 25.

January of last year set a new (Continued On Page 2)

Making Changes At Courthouse

A number of renovations are underway at the courthouse—prior to the major construction scheduled for later this spring.

At the clerk of court's office workmen from Plank's East End Mill are installing a new table-type desk along one wall allowing space for typing and providing more space for working on records. A regular desk was removed from the office to install the counter-type desk.

A similar setup was arranged in the treasurer's office where a regular desk was removed and a long counter type desk was placed along one wall to permit use for work on record books.

Some similar changes in desk space are being contemplated in the commissioners' office. (Continued On Page 2)

SINGER WILL OPEN CONCERT SERIES SUNDAY

Donald Gramm, one of America's finest and most popular bass-baritones, will appear for the Gettysburg Concert Association with a recital in Christ Chapel at Gettysburg College Sunday at 8:30 p.m.

Gettysburg is only one of many stops the talented young singer is making during the current concert season as he bolsters his claim as one of the most widely

traveled artists of his generation. In June, 1958, he sang the first performance of Offenbach's "Voyage to the Moon" with the Boston Opera Company. In that city and on tour during the following season he sang the leading role in the American premiere performance of Carl Orloff's controversial "The Moon."

Gramm was born in Milwaukee where he began piano studies at eight, the pipe organ at 13 and voice at 16. It was in the latter studies that he excelled and he decided to aim for a career as a concert singer. Only seven years later he made his New York debut with the Little Orchestra Society. Each season since then his recital schedule has been high (Continued On Page 7)

GROWERS WILL MEET IN YORK FEBRUARY 5-7

Fruitgrowers from 16 Pennsylvania counties will meet Feb. 5, 6, 7 in York for the annual convention of the Pennsylvania Horticultural Association. Dr. Russell E. Larson, Pennsylvania State University, will discuss 100 years of agricultural research at the opening session Monday morning in the Yorktown Hotel.

John R. Mengel, association president, said today that special attention will be given to specifications of the Apple Marketing Act to be approved by growers Tuesday, Arthur E. Rice, Gettysburg, is chairman of the association's marketing and research committee, which will make recommendations to the group. Issues to be included in the final draft of the order will be determined by grower sanction following an open discussion of grower needs.

Spokesmen for three of the nation's largest fruitgrowers' associations will discuss the successes of their respective promotional programs Monday afternoon. They are Ned Jones, Virginia State Apple Commission; Mark Buckman, Western New York Apple Growers, and Robert Rutledge, Florida Citrus Mutual.

Argentians Want Leader To Sever Relations With Cuba, Oust Foreign Chief

By NAON ABRAMOVICH

BUENOS AIRES, Argentina (AP)—President Arturo Frondizi was reported under pressure from the country's military chiefs today to break diplomatic relations with Cuba and fire his foreign minister because of the Argentine stand at the Punta del Este conference.

Informed sources said leaders of the three armed forces served a virtual ultimatum on Frondizi in anger at the government's refusal to vote at the inter-American foreign ministers conference for the immediate expulsion of Fidel Castro's Communist regime from the Organization of American States.

There was no indication, however, what the military would do if Frondizi refused its demand. Bowing to the military—a powerful force in Argentine politics—would amount to repudiation of

the government's refusal to go along with the United States and 13 other Latin-American countries. Foreign Minister Miguel Angel Canciano at the conference sided with Brazil, Chile, Mexico, Ecuador and Bolivia in advocating delay in the expulsions.

Castro's Cuba has been a headache before for Frondizi, caught between strong leftist factions and the traditionally conservative military.

Frondizi, 53, bowed to the military last August and fired a previous foreign minister, Adolfo Mugica, who was blamed for setting up a much-criticized meeting between him and Cuba's Communist economic czar Ernesto Guevara.

Explosion Hits Knouse Foods Plant; No One Reported Hurt

An explosion in the exhaust of a pumice dryer caused several thousands dollars worth of damage early this afternoon at the Orrtanna plant of the Knouse Foods Corporation.

George Heikes, plant superintendent, said that dust apparently exploded when the dryer became overheated.

The explosion blasted out one 16-foot wide section of the wall of the building and dislodged two other 16-foot sections of the outer wall. Windows generally were blown out of the section of the plant where the dryer was located.

A partition along the corridor near the dryer was blown over.

Fire started from the blast but was almost immediately extinguished by the plant force who used hoses within the building.

CALL 3 COMPANIES

Heikes said that the dryer was not being used at the time and the explosion and brief fire held up work in the rest of the plant for about a half hour only.

The blast occurred at 12:40 p.m. while Heikes was walking in the corridor near the dryer but he escaped injury although some debris fell about him.

No immediate estimate of damage was made pending further investigation of the loss to the dryer and to pumice and salt which were damaged by water.

Fairfield, Casttown and Gettysburg fire companies were called. Casttown and Fairfield used some water but the blaze was almost under control when they arrived.

Too Many Civil War Books Are Published

WASHINGTON (AP)—Historian Allan Nevins says the current flood of Civil War books is making some Americans long more for the end of the centennial than for the forefathers longed for the end of the war.

Nevins, chairman of the Civil War Centennial Commission, said at a joint meeting Wednesday of the commission and state groups: "The sigh of relief that went up over the real Appomattox in 1965 may conceivably be nothing to the national sigh of relief that will go up over the commemorated Appomattox of 1965."

CHIMP IS PARACHUTED 20,000 FEET

EDWARDS AIR FORCE BASE, Calif. (AP) — A sleepy female chimpanzee blazed a safety trail of sorts Wednesday for B58 bomber crews when she parachuted 20,000 feet—locked inside an escape capsule.

The 700-pound capsule's landing was cushioned by four shock absorbers like those on automobiles.

Susie, a 90-pound, 10-year-old chimp, had no complaints. Breathing a private oxygen supply, she'd slept all the way down.

Air Force technicians planned it that way. They gave Susie a sedative before the test began.

On the strength of Susie's success, the Air Force plans to eject a human—not yet chosen—from a similar capsule within two weeks. The idea is to give B58 crewmen greater protection from the bomber's slipstream when they eject at high speeds.

The bomber was traveling 630 miles an hour—just under the speed of sound—when a crewman triggered an explosive charge that ejected Susie's capsule.

Future ejections will be attempted at higher speeds.

The chimpanzee's heartbeat and breathing were measured by instruments during the descent. Detailed findings weren't made public, but observers said she appeared to withstand the trip in good order.

SCOUT WEEK PLANS MADE

Plans for a Scout Week window display were outlined Wednesday evening at a meeting of Explorer Post 78 at the home of the adviser, G. Henry Roth, S. Stratton St.

Window display chairman James Redding said the exhibit will be placed Saturday afternoon. Secretary-treasurer Charles Tipton reported on preliminary plans for the annual Norfolk encampment of the Explorers, the summer activities at Philmont Ranch, the national Boy Scout center in New Mexico, and the first national Explorer leaders' conference to be held at Ann Arbor, Mich., August 26 to 30. With only 10 Explorers to be accepted to the national conference from the York-Adams area, Tipton urged any member planning to attend to "make your reservation immediately."

Two members, James Adair and John Wormley, signed Wednesday night for the Norfolk encampment. Walton Jones was accepted as a member of the post.

Reports were made on a radio program taped by members of the post last Saturday for presentation over WGET during Scout Week. President James A. Roth presided at the meeting.

The next meeting will be held February 12.

LORD SNOWDON GOES TO WORK

LONDON (AP)—Princess Margaret's husband went to work today just like any other commuter—except that he traveled by Rolls-Royce and arrived eight minutes early.

A squad of cameramen awaited Lord Snowdon, formerly society photographer Antony Armstrong-Jones, as he drove up for his first day's work as artistic adviser to the London Sunday Times.

But Tony didn't seem too keen to see them. He zipped out of the car and was inside the building in three seconds.

Tony, 31, looked the perfect young executive in dark overcoat over a gray charcoal suit. Only the black bowler hat was missing from the usual Englishman's business getup.

He was accompanied by his chauffeur and a personal detective. Roy Thomson, Canadian owner of the Times and a string of other newspapers and television stations, waited inside to welcome him.

His main task is to advise the Thomson organization on production of a color supplement—something revolutionary in Britain—whence the Times starts publishing Sunday.

SAN LUIS OBISPO, Calif. (AP)—An earthquake described as moderately strong jolted parts of southern San Luis Obispo County Wednesday night.

There were no immediate damage reports.

PROGRAM FOR DINNER GIVEN

James R. Feather, president of the Adams County Young Republican Club, will be the toastmaster next Wednesday evening at 7:30 o'clock for the annual Lincoln's Day dinner in the Gettysburg College dining hall.

U.S. Senator Hugh Scott of Pennsylvania will be the speaker.

The invocation will be given by the Rev. Henry Early, pastor of Flohr's Lutheran Church, and John Conner, president of the Gettysburg College Young Republican Club, will lead the pledge of allegiance to the flag. A baked ham dinner will be served.

After special music there will be introduction of guests and officers held by County Republican Chairman H. Earl Pitzer and State Committeeman Fred G. Pfeffer will give Lincoln's Gettysburg Address. The Rev. Lena M. Parr, pastor of St. Paul's A.M.E. Zion Church of Gettysburg, will give the benediction.

Table decorations will be arranged by the Republican Women's Council. General banquet arrangements are being made by the Young Republican Club. After Friday, tickets will be available from President Feather, 838 Fairview Ave., or from Miss Nancy Elledge, R. 4.

The Junior Catechetical Class of the Upper Meridian Lutheran parish will meet at 10 o'clock and the Senior Catechetical Class at 11 Saturday morning at Mt. Zion Lutheran Church, Goodyear.

Miss Pat Reinecker and a classmate at the Harrisburg Hospital School of Nursing spent the weekend with the former's mother, Mrs. Grace Reinecker, Biglerville.

The Biglerville Grange will meet Saturday evening at 7:30 o'clock at the Grange hall near Heidlersburg.

Miss Linda Roth, a student at the Johns Hopkins Hospital School of Nursing, Baltimore, spent the weekend with her parents, Mr. and Mrs. Dale H. Roth, Gardners R. 1.

Mr. and Mrs. Leo Kleinfelter and family, Bethesda, Md., visited over the weekend with Mr. Kleinfelter's parents, Mr. and Mrs. L. W. Kleinfelter, Biglerville.

The Cumberland County Christian Endeavor Union will commemorate the 81st anniversary of Christian Endeavor by holding a covered dish supper in Mt. Zion Lutheran Church, Goodyear, Friday evening at 6:30 o'clock. All Christian Endeavors and other interested persons are invited and urged to attend. Paul Hurley, Ellicottsburg, will be the song leader and will deliver the message. Along with group singing there will be special music. The theme for the dinner will be "Called to Christian Freedom." In case of inclement weather the program will be cancelled and no new date will be set.

BULLETINS

PROVIDENCE, R. I. (AP)—At least five persons died early today in a general alarm fire in a three-story rooming house on Wilson Street, South Providence.

Two of the victims were identified as Virginia Davis and her daughter, Mildred, 8. The others were not identified. One man jumped from the roof.

It was the second fire tragedy in New England this week. Nine persons perished in a blaze at Buckland, Mass., on Sunday.

NEW BOSTON, Mich. (AP)—A father and three of his four children were killed today in a flash fire which destroyed their home in this rural southeast Michigan town.

Charles Nutt, 37; his two sons, Charles Jr., 12, and William, 7, and a daughter, Bonnie, 10, died in the flames.

Nutt's wife, Phyllis, 35, and another daughter, Denise, 4, escaped by jumping through a window.

WASHINGTON (AP)—President Kennedy called today for a \$193-million expansion of permanent federal welfare outlays, with a shift in emphasis for doing out "relief checks" to the rebuilding of wrecked lives and careers.

The remedies "will not come cheaply but in the long run they will save money," Kennedy said in a special message to Congress.

VIETNAMESE, Laos (AP)—Pro-Communist forces half encircling Nam Thau shelled a vital airstrip of that northwest provincial capital today, military reports said.

Bombardment of the airstrip by Communist mortars prevented use of the runway for transport planes bringing reinforcements and supplies for the defenders.

Members of the three-nation control commission flew to Xiang Khouang to seek permission from Prince Souvanna Phouma and pro-Communist Prince Souphanouvong for an inspection team to visit Nam Thau—100 miles north of Luang Prabang, the royal capital—and other places where cease-fire violations have been charged.

GROWERS WILL

National Apple Institute, also will address the convention. William M. Lott, Gardners R. D., will preside.

QUEEN CONTEST

Mrs. Eleanor P. Griest, Biglerville R. D., chairman of the state apple queen committee, reported today that four counties will be represented in the annual queen contest on Tuesday. Winner of the award will be crowned Tuesday night at the annual banquet by Congressman George Goodling. Miss Edna Jane Coble, Aspers, has served the state's apple industry as queen during the past year.

Mrs. Griest said contestants will represent Franklin, York and Berks-Lehigh counties. Miss Joyce Ripley will represent Adams County.

The trip will take him to Japan, Indonesia, Iran, Italy, Germany and the Netherlands.

TECHNICAL SESSIONS

Fruitgrowers attending the convention will hear technical discussions covering every phase of fruitgrowing from planting to packaging. Dr. Harry L. Swift, U. S. Weather Bureau, will speak on "Forecasting Weather for Fruitgrowers." Dean Asquith will discuss recent advances in control of fruit insects, and Frank S. Zettle will moderate a panel discussion on production problems with small stone fruits.

Adams Countyians serving on the panel will include: John F. Peters, Donald Horst and Robert C. Lott. Dr. Frank N. Hewetson will discuss chemical weed control in young orchards at Monday's session.

Robert Kime will represent Adams County Tuesday afternoon in a discussion on growing raspberries.

ENDORSE SLATE

HARRISBURG (AP)—The Pennsylvania AFL-CIO reported today it has endorsed Philadelphia's Richard Dilworth and Sen. Joseph S. Clark for the Democratic nominations for governor and the U.S. Senate respectively.

The labor organization also endorsed Rep. Stephen McCann, House Democratic floor leader, for lieutenant governor, and Miss Genevieve Blatt, secretary of internal affairs, for re-election.

Mrs. David March, Gettysburg R. 3, has returned home after spending several days with her son-in-law and daughter, Mr. and Mrs. John Bitner, and family, Mt. Holly Springs.

Weather Report At Arendtville

The mercury dipped three degrees lower at Arendtville than it did in Gettysburg last month to set a low mark for 1962 of three degrees above zero on January 12. Gettysburg's low last month was six above zero.

Figures compiled by Dr. Frank N. Hewetson, volunteer observer at Arendtville, showed January there was colder than normal but the weather was less severe than January of last year. The daily temperature was 28.13 degrees which is 1.9 degrees below normal there but 4.8 degrees above January of last year.

The average daily maximum was 37.1 degrees and the average low reading was 19.1 degrees. The high came on January 25 at 55. Rainfall totaled 2.36 inches which is .63 inches below normal and .53 below January of last year. Only 1.8 inches of snow was measured as compared with 24.4 inches in January, 1961. Dr. Hewetson measured 129 hours and 45 minutes of sunshine which was 48.7 per cent of the total "available."

DR. CHRISTIE QUILTS

HARRISBURG (AP)—Dr. Robert A. Christie resigned today as executive director of the Gov. Lawrence's Committee on Education.

Christie said he is accepting a post as secretary of the University of Long Island at Brooklyn, N.Y.

He will take up his new duties Feb. 7.

UNDERGOES SURGERY

DARBY, Pa. (AP)—A. Allen Sulcove, state secretary of labor and industry, was in satisfactory condition today after undergoing corrective surgery at Fitzgerald Mercy Hospital Tuesday.

Paul J. Smith, director of unemployment compensation, said Wednesday in Harrisburg that Sulcove entered the hospital Jan. 23 for tests and it was decided the surgery was needed.

He said no further surgery is anticipated. Sulcove is expected to be hospitalized from a week to 10 days.

20 Nations

The Cuban delegation boycotted the final session and rushed back to Havana claiming the outcome amounted to "a defeat for U.S. imperialism." In the Cuban capital about 700 persons paraded behind a coffin marked "OAS Sharks" as loudspeakers blared: "Cuba will win its struggle, with or without the OAS." The coffin was dumped into Havana harbor in symbolic burial of the inter-American organization.

Rusk, before leaving Punta del Este, said, "We have agreed on a great deal." He added that the Cuban walkout before the conference ended demonstrated "the principle of self-exclusion."

EXPECT EARLY MEETING

The secretary was sure of a "well done" from President Kennedy, who praised the outcome even though the United States was able to get only the necessary minimum of 14 nations to vote expulsion of Cuba from the OAS councils.

Members of the U.S. delegation anticipated a meeting of the OAS Council within a week or 10 days to beginputing into effect the expulsion of Cuba from the various hemisphere councils and agencies. They hoped that some of the abstaining six nations would swing over to support these actions, which the six had contended the conference had no legal power to order.

Other resolutions adopted and included in the final declaration of Punta del Este were:

The bitterest denunciation of Communist intrusion in the hemisphere ever adopted by the OAS. Approved 20-1 (Cuba dissenting). Expulsion of Cuba from the Inter-American Defense Board. 20-1 (Cuba dissenting).

Approval of President Kennedy's \$20-billion Alliance for Progress program. 20-1 (Cuba dissenting).

An embargo on shipping arms to Cuba with the OAS Council directed to consider extending the ban to strategic materials. 16-1 (Cuba dissenting; Brazil, Chile, Ecuador and Bolivia abstaining).

A call for the OAS "to maintain all vigilance necessary" against international communism. 19-1 (Cuba voting no; Bolivia abstaining).

today was set forth in Christ's "great commission." He continued: "That charge to Christianity in general is just as valid today as it was when it was uttered. We are charged to baptize as a symbol of an inner cleansing and to teach the message of Jesus Christ as the means to grace, joy and peace. This message cannot be separated from the will of God for a world at peace."

As the service closed, Dr. Reaser thanked the churches, pastors, choirs and others who had assisted and announced the religious census in Gettysburg for March 11 and urged church folk to assist when called upon.

low record for recent years with a reading of 7 below zero. Temperatures have not gone below zero here since last February.

Last month's 1 1/2 inches of snow was a welcome change from last January when the total was 23 inches. The light January snow brings this winter's total to 14 1/2 inches. There were 10 inches in December to make 1961 the snowiest year in Gettysburg weather history and three inches last November.

Last month's light snow helped keep the month's total precipitation to 2.45 inches which is .53 inches below normal.

Sleet, fog and one thundershowers were among the special weather conditions noted here in January.

SNOW, COLD USHER MONTH OF FEBRUARY

By THE ASSOCIATED PRESS

February blew into the weather picture in the northeast part of the nation today with the same old dreary, miserable routine as January—snow and cold.

The Weather Bureau's 30-day forecast was unwelcome news for the winter-weary residents of the Northeast and the Great Lakes region: "Below normal temperatures."

The season's coldest weather gripped sections of New England. The icy air extended across northern borders into the eastern Dakotas. Readings ranged from below zero into the teens.

COLD IN MIDWEST

In the Northeast, it was below zero in Maine, Vermont, New Hampshire and upstate New York. In the Midwest, hammered by severe weather most of the winter, the mercury again fell below zero in sections of Minnesota, Wisconsin, Michigan and North Dakota.

The mercury slid to -25 in Caribou, Maine, and in northern Minnesota, it was a crisp -23 in International Falls. It was -8 in Burlington and Montpelier, Vt., and -1 in Lebanon, N.H.

In New York, the low marks included -15 in Massena and -10 in Watertown, Boston, which had its coldest day of the winter Wednesday with 8 above, warmed to 22.

Snow fell in most of the cold air, which included northern sections of Illinois, Indiana and Pennsylvania. Heaviest snowfalls appeared confined to the northern Illinois-Wisconsin region with amounts expected to reach three inches or more.

CHICAGO BLANKETED

Chicago, which recorded one of the heaviest amounts of snow in history in January with 20 inches, sent out its snow removal equipment this morning to clean streets of the blowing snow. Normal snowfall for January is 7 1/2 inches.

An inch or more of fresh snow powdered most of New York State and the snow belt from the Upper Mississippi Valley to the East Coast was expected to dip southward into the Ohio Valley.

Considerable fog again was indicated in the valleys of the plateau region and along the Pacific Coast. Eleven farm laborers were killed Wednesday night when a Southern Pacific freight train and a bus collided in dense fog at a railroad crossing in Mendota, Calif., 50 miles west of Fresno. The fog in central California was blamed for 27 traffic deaths since Sunday.

LADIES' NIGHT ATTRACTS 23

Twenty-three women signed Wednesday evening for the weekly "ladies' night activities" held by the Gettysburg Recreation Association at the girls' gymnasium in Gettysburg High School.

Miss Ingrid Kupprat, senior in physical education at Gettysburg College, who is heading up the ladies' night program, said that "slimnastics," a series of exercises designed to help give the maximum in physical development and which can be continued daily at home by those who wish to reduce, will be given each Wednesday evening from 6:45 to 7:15 o'clock at the high school gymnasium.

For those who wish to stay after the "slimnastics," basketball and other games will be conducted. Wednesday night 21 of those who had signed also entered into the basketball and other activities.

Miss Kupprat and Recreation Director Lee Raffensperger said that the program is for "those who are out of school, all ages, the single, married, housewife and secretary, store clerk or factory worker. Those attending may participate in any activity that suits their fancy, or enter into all of them, and may stay to the end of the program or leave at any time."

Those wishing to join the group may report any Wednesday evening at the high school girls' gym.

WILL GET HEARING

YORK, Pa. (AP) — County authorities plan today to set a hearing date for James Wilson Harbold, 27, who is charged with murder.

Harbold, arrested Sunday in Memphis, Tenn., was returned here Wednesday and lodged in the county prison.

He is accused of the shotgun slaying of Mrs. Donna Mae Snyder in York.

He has found time to share in service with the American Red Cross, Gettysburg School Board, Presbyterian Church, Community Chest, and many local groups.

TEETER PRESIDES
Sumbury served as Cubmaster of Pack 71 in Biglerville for three years, then served as assistant district commissioner for Cubbing for three years and currently is registered as leadership training chairman for the Black Walnut District. He has also been awarded the Scouter's Key.

Superintendent Keefer was honored for his activities on behalf of Scouting throughout Adams County, especially in New Oxford, where he has served as chairman of Troop 85 for 25 years. He has also served as a member of the Black Walnut District Committee and the York-Adams Area Council Executive Board.

Attorney Daniel E. Teeter, who is a vice president of the York-Adams Council, presided at the dinner session. John C. Voerman, council vice president, made the presentation of the statuettes. Horace G. Ports, council commissioner, made the Silver Beaver presentations. Perle L. Whitehead, retired deputy regional executive, was the speaker.

WIEGAND REPORTS

Council Scout Executive Ray R. Wiegand presented his annual report for the council which showed the council to have 7,908 boys and 3,350 adult leaders registered, a total of 11,258. The council has 107 Cub Packs, 119 Boy Scout Troops and 60 Explorer units.

During the year 4,448 of the boys advanced one rank. There were 5,332 merit badges earned during the year. Income of the council during the year totaled \$126,727.26 and expenses were \$126,663.48.

The report noted that all of the chairmen of the operating committees of the Black Walnut District are members of the comparable council committee.

BURY MRS. WAGAMAN

Funeral services for Mrs. Besie E. Wagaman, 55, wife of George Harry Wagaman, Gettysburg R. 3, who died Sunday afternoon at the Warner Hospital, were held Wednesday afternoon at the United Brethren Church in Mt. Pleasant, Franklin County, with Rev. Amos Meyers officiating. Interment in the church cemetery. Pallbearers were Raymond Mayer, Richard Musselman, Jacob Senseig, Abraham Miller, Menno Rissler and David Williams.

Weddings

The Smithsburg Trinity Lutheran Church was the setting Saturday evening at 7 o'clock for the double-ring ceremony which united in marriage Miss Doris Elaine Schaller, daughter of Mr. and Mrs. Joseph Schaller, Smithsburg, Md., and Cleason M. Richardson, son of Mrs. Ruth Richardson and the late Cleason M. Richardson, Fairfield. The nuptials were performed by Chaplain Gomer S. Rees, U. S. Army, retired.

For the candlelight service the church was decorated with cathedral candles, palms and white gladioli. Miss Bonnie Winters presented a recital of wedding music consisting of "Dreams," "Because," "A Lonely Rose Is Blooming."

MRS. RICHARDSON

The bride is a 1960 graduate of Smithsburg High School, and is presently employed at Frick Co. The groom is a 1958 graduate of Fairfield High School, attended Shippensburg State College, and is employed at Frick Co., Waynesboro.

MAID OF HONOR

The bride, given in marriage by her father, was attired in a floor-length gown of tulle and lace. The bodice had a scalloped dropped square decolletage and long tapered sleeves. The flowing skirt of tulle had two lace hand insets around the skirt, dropping to a V in front. The chapel veil of illusion was caught by a crown of sequins and pearls. She carried a white Bible topped with a white orchid and showered with lilies of the valley.

Miss Carolyn Gardenhour, Smithsburg, served as maid of honor and Mrs. Delmar Richardson, Orrtanna, served as attendant. The maid of honor wore a Paris pink street-length gown with nylon lace jacket, elbow-length sleeves and a misty chiffon skirt. She wore matching accessories and carried an old-fashioned bouquet of white pompons

and pink rosebuds. Mrs. Richardson wore a powder blue gown identical to the maid of honor's with matching accessories and carried an old-fashioned bouquet of white pompons and yellow rosebuds.

RECEPTION IS HELD

Serving as best man was Delmar Richardson, Orrtanna, cousin of the groom. Ushers were Robert Kendall, Greencastle, cousin of the bride, and Franklin Schaller, Smithsburg, Md., brother of the bride. Larry Warrenfeltz served as acolyte.

For her daughter's wedding, Mrs. Schaller wore a beige lace sheath with brown accessories and a corsage of pink carnations. The groom's mother wore a blue wool sheath with black accessories and a corsage of white carnations.

Immediately following the ceremony a reception was held in the church social hall.

The bride is a 1960 graduate of Smithsburg High School, and is presently employed at Frick Co. The groom is a 1958 graduate of Fairfield High School, attended Shippensburg State College, and is employed at Frick Co., Waynesboro.

the last five years. In 1960 "we had 12 repeaters."

Those on probation are "adjusting well," Anderson said in his report and he noted that during the last year juveniles under his supervision had deposited \$879.22 in local banks as savings.

He added: "It is very gratifying to this office that many youngsters, after they are released from the supervision of the juvenile court, come to this office to pay their respects or for advice on various matters." He added, "The proposed plan of adding another worker in this office should show a better situation in the county as more time can be used in aiding youngsters to get on the right track of decency."

He also observed that "criticism of the juveniles is not justified. Many cases appearing before the court for delinquency were of a minor nature, which is indicated by the number of children placed on probation and commitments to institutions."

MORE SUPPORT CASES

Anderson's report on adults showed an increase in the number of support cases, from 253 to 266 as of December 31. During the year 46 new support cases were added and 31 terminated, making the net increase 13 cases.

There were 65 adults on parole or probation as of December 31, 81 were on parole or probation at the beginning of the year, 61 were added to the roles during the year and the terms of 77 expired during the year. Six paroles were revoked during 1961.

ULCW CIRCLE ELECTION HELD

Election of officers was held at the January meeting of the Abigail Kammerer Circle of the United Lutheran Church Women of St. Paul's Church, held on Tuesday evening in the church social hall. Mrs. Paul C. Mayers was re-elected president, and others chosen for office include: Vice president, Mrs. George Schaefer; secretary, Mrs. Mahlon Bucher; treasurer, Mrs. L. Robert Snyder.

Mrs. Lawrence H. Roller was the program leader for the evening. There was the hymn singing, accompanied by Mrs. Snyder; Psalm 96 repeated in unison; prayer, Mrs. Roller; topic, "Continence to Continent," discussed by Mrs. Donald B. Kump, Mrs. Carroll E. Arter, Mrs. Ray T. Harner and Mrs. Thomas E. Craig; a record, "Tomorrow After Dawn," on Latin America, was played by Mrs. Roller, who also offered the prayer.

Mrs. Mayers presided for the business and heard the reports of Mrs. Milton Harner, retiring secretary, and Mrs. Snyder, treasurer. A communication was read requesting a donation to establish a lounge in the Lutheran Theological Seminary, Gettysburg.

Preliminary plans were made for the annual World Day of Prayer service by the women's missionary groups of the community churches to be held on Friday evening, March 9, St. Paul's Church will be in charge of the service this year. Mrs. Milton Harner, Mrs. Charles E. Rabenstein and Mrs. Clinton O. Sentz were appointed in charge of the elements for the Communion service on Friday evening. The guest package, contributed by Mrs. Mayers, was received by Mrs. Donald Kump, a visitor. During the social hour, refreshments were served by Mrs. Roller.

The Abigail Kammerer Circle will again on Tuesday, February 27, at the church, Mrs. Mahlon Bucher will be leader and Mrs. Paul Mayers will be hostess.

The Tuck-a-Batch Class of St. John's Lutheran Church met on Tuesday evening at the home of Mrs. Malcolm E. Hess, E. King St. The devotional consisted of a song service, sentence prayers, opened by Mrs. William C. Karns and closed by Mrs. William J. Lippy; readings, Mrs. George Trump and Mrs. Lippy.

Routine business was transacted in charge of Mrs. Trump, president. Refreshments were served to the group by Mrs. Hess.

Sues Phillies In Death Of His Son

DETROIT (AP)—A father whose late son was an ex-farmhand of the Philadelphia Phillies has sued the baseball team for \$500,000, claiming that nothing was done to treat the youth when he became ill while in the farm system.

In a suit filed in U.S. District Court Wednesday, Frank Gemignani charged that his son, Jerry, who played with farm clubs at Johnson City, Tenn., and Elmira, N.Y., became ill in 1959.

The suit charged that instead of treating his condition, he was released by the Phillies in the summer of 1960 for lack of ability. The player died a few months later.

A club physician in March, 1959, found a "symptomatic blood condition" but did not give the player further treatment or advice, the suit said.

There was no immediate comment from the Phillies.

Meat aspic, "pearled" with a fork or cut into tiny squares, is a delightful Danish-style addition to an open cold meat sandwich.

The class will meet again on Tuesday, February 27, at the home of Mrs. William Lippy, Littlestown R. 1.

BROWNIES TO BE INVESTED

An investiture service for the Brownies of the newest troop in the community, Troop 976, will be held at 3:30 p.m. on Friday in the engine house. Parents of the girls of the troop are invited to attend. The leaders are Mrs. Samuel J. Snyder, Mrs. Loy L. King, Mrs. Herbert J. Sell and Mrs. Harry D. Feesser.

The service of Holy Communion will be held in St. Paul's Lutheran Church Friday at 7:30 p.m.

The Christ Ambassadors Youth Service of Bethel Assembly of God Church, along the Littlestown Fish and Game Rd., will meet at the church on Friday at 7:30 p.m. The weekly public party of the Ladies' Auxiliary of the Fraternal Order of Eagles, Littlestown Aerie No. 2226 will be held at 8 p.m. Friday in the social room of the FOE Home, W. King St.

The Ladies' Aid Society of St. James' United Church of Christ met for the monthly gathering on Tuesday evening at the church, along the Harney Rd. Miss

Kathryn Staley, program leader, read the Scripture; Mrs. Donald Sentz was pianist for group singing; readings were given by the members. Refreshments were served at the conclusion of routine business by Mrs. Wilbur Danner, Mrs. Zona Harne and Mrs. Roger Bair.

Mrs. Jesse Slick was named program leader for the next meeting of the Aid on Tuesday, February 27, at the church. The hostesses will be Mrs. H. Allen Walker, Mrs. Robert Laughman and Mrs. William Moon.

Theron W. Spangler is a member of the Littlestown Chamber of Commerce membership committee instead of Luther D. Snyder, as incorrectly stated in the account of the Chamber meeting in Wednesday's Gettysburg Times.

Rangers Snap Ten Game Losing Streak

The New York Rangers broke their National Hockey League 10-game losing string—within one game of the 1944 club record—with a 5-0 shutout of the last place Boston Bruins Wednesday night.

It moved them to within one point of fourth-place Detroit, which currently holds the last playoff spot. The Red Wings lost to Chicago 4-1 in the league's only other action.

MacArthur Repulses New Japanese Invasion; Report Severe Casualties; Washington — General Douglas MacArthur reported today that the defenders of the Bataan peninsula in the Philippines had repulsed with heavy enemy losses the latest series of Japanese attacks, which were made by the foe's best troops who employed new tactics.

A War department communiqué reporting developments of the past 24 hours and also summarizing savage fighting of the past several days said that two Japanese divisions were hurled simultaneously against American-Filipino lines.

Local Youth Meets Sister For First Time In 18 Years — Glenn Sherman, 21-year-old foster son of Mr. and Mrs. Claude Sherman, Hanover street grocer, and his sister, Miss Ruth Olive Wickline, of Pittsburgh, met for the first time in eighteen years Saturday afternoon in Pittsburgh.

Made orphans at an early age Glenn was adopted and brought to the Sherman home here. Sometime later his sister Ruth was adopted by another family. Glenn was three and one-half years of age when he was brought to Gettysburg.

Tanker Named "Gettysburg" — Within two months a new 16,500-ton tanker bearing the name "Gettysburg," will be riding the waves in the service of Uncle Sam, it was disclosed Saturday at the Sun Shipbuilding and Drydock Company, Chester.

The first of 92 all-weather, new type ships ordered by the U. S. Maritime Commission has been named "Gettysburg." It is scheduled to be placed in service within two months.

Machines For Defense Work Sought Here — Gettysburg and Adams county may receive some defense contracts if suitable machinery is available here.

The Gettysburg Chamber of Commerce has been asked to make a survey of the county relative to assuming some defense work. President Meres Sherman today issued an appeal to all county offices if they have or know of the following:

Engines or motors of any kind or make or style; drill presses; lathes, milling machines; painting and spraying equipment and such other equipment as may be suitable for defense work.

7-Inch Snowfall Covers County — Adams county was blanketed this morning under its second heavy snowfall of the year that kept more than a score of State highway department trucks and graders busy clearing highways since the early hours of the morning.

State highway department reports placed the average depth of the snowfall at from six to seven inches excepting in the southern and southeastern sections of the county where it measured only five to six inches.

Farmers Must Put Resources To Best Use — The current challenge to agriculture is to use the nation's farm resources to the best advantage, H. G. Niesley, assistant director of agriculture extension at State College, told a group of nearly 200 Adams county farm men and women at the afternoon session of the county agricultural extension association's annual meeting here, Thursday.

Efficient methods of production and consumption are essential, the speaker declared and announced that the agricultural extension service intends to help farmers of this state meet the new challenge.

ADVERTISE IN THE TIMES

Today's Talk

A GREAT ART
A friend told me the other day that he liked a certain man because he always made him smile. What an art—to make people smile!

I recall attending a movie one evening when one of the comedies was put upon the screen. There was one fellow in the audience who had a laugh that woke up the entire house—so the picture got a double laugh—one because of what it was and one because of what it did to that one man.

There is nothing truer than that the old Earth must borrow its mirth—or it has troubles enough of its own.

Never leave your friend unhappy. Make him smile — over something, be it ever so trivial. I am for the "funnies," the comics in newspapers, and the stories that are created to give people a "lift" or smile.

Anyone can make another want to cry or hurt his or her feelings. But it takes the rare person to make another laugh.

Why not aim to be a rare person? Jokes and stories should be part of the daily menu. They are as essential as good bread. In fact, they should go hand in hand. Jokes and good stories should be used as salt in the dinner table. Food digests so much better with a good story tickling the stomach juices.

And the man or woman with a sense of humor in his or her veins lives the longest and enjoys life the most, no matter how many troubles either may have had or does have.

Tomorrow Mr. Adams will talk on the subject: "Dreams And Desires."

Just Folks

SISTER'S COMING HOME
We're climbing higher every day.
With fit and due propriety;
Now father has the price to pay.
We're getting in society.
All right and proper methods we observe with true fidelity;
The customs of society
We do not try to flout;
Our hobby now is etiquette,
For when you're in the upper set
The rules 'tis fatal to forget,
So Sister's coming out.

We grow more mannerly each day,
We pay our bills by check;
At times we find to our dismay
Dad's napkin 'round his neck;
But, all in all, we're doing well.
No longer do we call it "jell,"
Nor for the salt or pepper yell,
We'd rather do without.
All forms and customs we obey;
Ma's gown is out de-collect;
Dad wears a clean shirt every day.
And Sister's coming out.

LEONARD AND BAXTER TAKE EARLY LEADS

By BOB MYERS
Associated Press Sports Writer
PALM SPRINGS, Calif. (AP)—Golf's only 50-hole tournament, the \$50,000 Palm Springs Classic, swung into its second stage today with unheralded Stan Leonard and Rex Baxter Jr. leading the procession.

They scored 65s, six strokes under par in the first round at the Thunderbird County Club Wednesday.

Baxter, 25, of Amarillo, Tex., is a relative newcomer to the money trail. Leonard, 47 Friday, has won the Canadian PGA title eight times.

ONE STROKE BACK
One stroke back of the leaders was Doug Ford, recent winner of the Bing Crosby tournament, while two shots back were U.S. open champion Gene Littler, the winner at San Francisco last Sunday; Lionel Hebert and Jerry Steelsmith.

The 68 group included Mike Souchak and England's Neil Coles while the 69 bracket was jammed with prominent players. Included were Gary Player, Arnold Palmer, both signaling a return to form after a drought of good scores this winter, Jay Hebert and Jimmy Demaret.

Also to be reckoned with was Sam Snead. He had a 70 in his first 1962 tournament. Even with par 71 was Jack Nicklaus, 1961 amateur champion turned pro, while last year's Palm Springs winner, Billy Maxwell, had a disappointing 73.

Grief-Stricken Aerialists Perform On High Wire With Substitute After Tragedy

By A. F. MAHAN
DETROIT (AP)—Their faces grim, Herman and Gunther Wallenda Wednesday night walked the high wire from which two members of the great Wallenda troupe had fallen to death only 24 hours earlier.

There wasn't a sound in the huge state fair Coliseum as the 60-year-old Herman and his son, Gunther, 34, paid their tribute to the show business tradition that the show must go on.

With a substitute aerialist flown in to fill the gap left by death and injury, the two Wallendas performed feats of daring for five minutes above the concrete floor.

As on the previous night, there was no net between the Wallendas and the concrete. Herman and Gunther were the only ones of the seven Wallendas on the wire the night before who were not killed or injured.

FLIES FROM SWEDEN
Gene Mendez had flown in from Stockholm, Sweden, to be the third man.

All activity in the Coliseum stopped as the two Wallendas and Mendez climbed the poles to the slender wire 35 feet up to do their spine circus act.

Mendez was first on the high wire, he was followed by Herman, and then Gunther. Gunther rode a bicycle across the wire and then teamed with Mendez, a former member of the troupe, to carry Herman standing on a cross bar between them. In their finale, Herman stood on his head on the bar.

CHEERED BY 5,000
The three men walked the wire to a platform at one end. As soon as they stepped onto the platform, ending the act, the crowd of approximately 5,000 burst into thunderous shouting, whistling, hand-clapping applause.

Herman rushed to his dressing room. Gunther, remained outside to accept the congratulations of the performers and circus hands who swarmed to him.

The Wallendas have to decide on funeral plans for their dead: Richard Faughnan, 29, husband of the former Jenny Wallenda; and Dieter Schepp, 23, a nephew whom Karl Wallenda managed 10 months ago to rescue from Communist East Germany.

HAVE 2 CHILDREN
The Faughnans had two children, a son, Tino, 11, and daughter, Lilah, 9. The children were staying with their grandmother in Sarasota, Fla., while their parents were away. Jenny is Karl Wallenda's daughter. Faughnan had called the high wire the "safest place in the world." "I'll never die up there," he had assured his step-mother, Mrs. Charles Faughnan of Brooklyn, N.Y. Schepp's 17-year-old sister, Christina (Jana), was atop the

Figure Skaters Open Competition

BOSTON (AP) — The National Figure Skating Championships opened on a somber note today with top officials of the United States Figure Skating Association eyeing the field of about 100 hopefuls for possible successors to the 15 skaters who were killed in an airplane crash last year.

Those 15, representing the cream of the United States crop, were en route to the world championships in Prague when their jet, crashed outside Brussels, Belgium.

The championships will run four days and will be divided between the Skating Club of Boston and the Boston College Arena. The novice men's and women's compulsory figures and the first round of the silver dance event were on the opening day program.

DUQUESNE AND VILLANOVA TO MEET 3RD TIME

PITTSBURGH (AP)—The ball twice.
Coach Jack Kraft learned that Wednesday night as his Villanova basketball team was nipped 53-51 by the seventh-ranked Duquesne Dukes.

The outcome was a lot different from the Wildcats' 78-53 triumph over Duquesne in the Quaker City. That loss was one of only two the Dukes have suffered in 17 games. "It's the way the ball bounces," Kraft said after the game. "In Philadelphia, everything bounced our way. Here it went to them."

The ball bounced particularly well to Mike Rice, Duquesne's aggressive floor leader. The 6-2 senior scored 21 points and grabbed 18 rebounds, both high for the game. Villanova's star, Hubie White, also had 21 points but had only 12 rebounds.

NO BLOCKED SHOTS
"In the first game, White slapped the ball back at Mike a couple of times," Duquesne coach Red Manning said. "Mike worked on White's moves to set up his timing. White didn't knock back any of his shots tonight."

He became sick here in the locker room between halves. Nevertheless Rice hit on nine of 17 shots from the field, and tossed in a layup and a free throw in the final minutes that gave the Dukes four-point leads each time. Interspersed in the close contest were two heated incidents, the second one erupting into a scuffle that brought both teams onto the floor in the first half.

ORDER RESTORED
It was ignited when Willie Somerset, the Dukes' flashy sophomore, took a swing at Villanova's Jim McMonagle after they battled for a loose ball. Order was restored within a couple of minutes, however, and no one was hurt. The Wildcats, who led 29-27 at halftime, had a chance to tie the game with nine seconds remaining. But McMonagle's jump shot missed. Villanova now has a 15-3 record.

The teams aren't finished with each other. They meet for a third time next Wednesday in Philadelphia. What will the outcome be, Coach Kraft?
"The same as here—only we'll win by two. The home court, you know."

SENIOR LOOP TO PLAY 162 GAMES
CINCINNATI (AP) — The National League, operating with more than eight clubs for the first time since 1899, announced today the 162-game schedule for the loop that will spread from coast to coast and as far south as Houston, Tex.

Houston and New York are the new additions to the league. New York was a member until the Giants moved to San Francisco several years ago.

With the membership increased from 8 to 10 teams and the schedule boosted from 154 to 162 games

Carry Back Ruled Choice For Races
MIAMI, Fla. (AP) — Dorchester Farm's Carry Back, the 3-year-old champion race horse of 1961, emerged today as favorite for the big handicap races coming up in Florida this month and next.
Carry Back didn't win the \$33,450 Palm Beach Handicap at Hialeah Wednesday but the way he ran the seven furlongs in his first outing of 1962 convinced horsemen that he will be equally as tough at age 4 as he was at 3.
The game little Florida-bred put on one of his customary blistering stretch runs to finish second behind intentionally and he was gaining on Tartan Stable's speedy 6-year-old at the end. The winner, basically a sprinter, is not expected to go in upcoming longer races.
Eleven other speeders were in the race. Ambipolise finished third.

Buffalo Bills' Owner Buys Pipers' Cagers
CLEVELAND (AP)—Ralph C. Wilson Jr., a Detroit insurance executive who owns a professional football team in Buffalo, has purchased the Cleveland Pipers of the American Basketball League for an estimated \$175,000, according to an announcement.
Wednesday night by George Steinbrenner, president of the Pipers, who said the team would remain in Cleveland and that there would be no front office changes now.
The Pipers hired a new coach — Bill Sharman — Tuesday after John McLendon resigned.
Wilson owns the Buffalo Bills of the American Football League.

Ron Warner and Rodger Gaeckler put on a sparkling performance to lead Bob Hulton's Gettysburg Bullets to their seventh straight win as they turned back Muhlenberg 67-41 Wednesday night before 2,000 fans in the Gettysburg field house in a Middle Atlantic Conference clash.

Warner rammed through 11 of 26 goal attempts and eight for eight from the foul line for a new floor record of 30 points. Despite the York native's scoring exhibition, Rodger Gaeckler, 6'4" Junior from Glen Rock, was the one who received the standing ovation from the crowd when he left the game with five minutes remaining in the contest. The 210-pounder swished the cords on eight of 12 attempts and connected on two of two free throws for 18 tallies. He was the game's leading rebounder with 13 and turned in by far the best performance of his career.

The Bullets are now 10-3 on the season and 5-1 in MAC play, winning their last five outings. Muhlenberg is 3-10 on the year and 0-6 in conference competition.

SLOW START

The game was slow in the first half with many shots being missed throughout the first 20 minutes. The Mules put a scare into the Bullets by jumping to a quick 6-2 lead. John Ponchak hit on a corner jump and Dean Lowe added a free throw before Gettysburg's Ron Warner landed up a lay-up with 2:27 gone by in the game. Ponchak scored after the first two minutes had elapsed. Lowe then hit from the corner and Ponchak connected on one of two fouls to make it 6-2 before the Bullets called time out.

Following the pause, Hulton's engers went to work, never again being touched. Warner registered a foul, Bob Parker hit from the corner and Warner tied the game with a free throw at 11:12. At the 10:54 mark, Warner put Gettysburg ahead 8-6 on a drive up the middle. Bruce Simpson and Roger Stuhlmiller exchanged two-pointers. Warner then recorded the next seven points to give Gettysburg a 17-8 lead with 8:5 remaining in the half. Muhlenberg was able to get only seven more tallies before the first 20 minutes ended. Gettysburg led 28-15 at intermission.

The Bullets continued the scoring pace in the second half with the reserves taking care of the large lead during the last five

SPORTS AWARD GIVEN SHERDEL AT ST. LOUIS

William Henry "Wee Willie" Sherdel, 65, McSherrystown, who was a star left-handed pitcher for the St. Louis Cardinals from 1918 to 1930 when he was recognized as one of the top pitchers in the National League, was among those honored Wednesday evening at a dinner in St. Louis.

Sherdel was awarded the Brian Burnes Nostalgia Award, given annually to the "old-timer" who made baseball history in St. Louis.

As a member of the Cardinal pitching staff Sherdel won 153 and lost 131, having his best season in 1928 when he helped lead St. Louis to its second pennant in three years with a 21-10 record. In 1930-31 he pitched for the Boston Braves and had a 12-15 mark. He returned to St. Louis in 1932 and appeared in but three games but was not involved in any decision.

LOSES IN SERIES

Sherdel lost four World Series games, losing two to the New York Yankees in 1926 and two more in 1928.

About a year ago Sherdel underwent major leg surgery but today its reported as doing "very well."

Other athletes honored at the dinner included Elston Howard, Larry Jackson, Leroy Thomas, Red Schoendienst, Bill Dewitt and bower Dick Weber.

The English Derby was inspired by Edward, the 12th Earl of Derby, and Sir Charles Bunbury.

Saints' 8-Game Streak Snapped

By THE ASSOCIATED PRESS
San Francisco's eight-game winning streak in the American Basketball League was snapped Wednesday night.

The Saints went down before the New York Tapers 112-106. The defeat, coupled with Chicago's 108-99 victory over Pittsburgh, tightened the second half race in both the Eastern and Western Divisions.

G-BURG JOLTS D-SON MERMEN FOR 1ST WIN

The Gettysburg College swimming team turned in an outstanding exhibition as they rolled up their first win of the season, turning back powerful Dickinson 50-44 Wednesday afternoon in the Bullets' tank.

Not only was it the first win in four outings for Curt Coull's tankmen but marked only the third loss in 49 meets for Dickinson covering a five-year span.

Hal Kulp, a Sophomore backstroke from Philadelphia, lowered the school record in the 200-yard backstroke as he came home in 2:31.1, knocking two seconds off the old mark. Bruce Lahr was the Bullets' top winner, capturing both the 50 and 100-yard freestyle. Lahr finished the 50 in 25.4 seconds and the 100 in 56 seconds flat. Lance Rodgers captured the same number of victories for the Red Devils. Rodgers took the 220-freestyle in 2:25.6 and the 440-freestyle in 5:28.5.

RELAYERS CLINCH WIN

The meet, which was thrilling from start to finish, was decided in the last even of the day as both teams came down to the wire with Dickinson holding a slim 44-43 lead. The Gettysburg 400-yard freestyle relay team, consisting of Scott Ashman, Clyde Betts, Curt Cheyney and Bruce Lahr, then went to town and proved why they are undefeated as they crossed the finish line in 3:49.9 for the all important deciding seven points.

The Bullets will be back in action next Wednesday night when they tangle with another tough Franklin and Marshall team in an 8 o'clock meet in the home tank.

The results:
400-metrelay: 1, Dickinson (Talley, Arndt, Bird, Hemphill); 2, Gettysburg, 4:20.5.
200-freestyle: 1, Rodgers, D; 2, Cheyney, G; 3, Cressman, D; 2:25.6.

ADVERTISE IN THE TIMES

TAKES LOOK AT FUTURE YEARS FOR BASEBALL

By JACK HAND
Associated Press Sports Writer

Baseball played the ostrich role for too many years, burying its head in the sand, blinding itself to a changing world. While other sports whittled away at its dominant position, baseball sat on its fat reputation as the national pastime.

Some say professional football already has caught up. Others maintain this is utter nonsense. The purpose here is to take a hard look at baseball, admittedly in an era of transition. What are its problems? How does it hope to solve them? What does the future hold?

MORE BOYS PLAYING

Baseball prefers to speak of itself as "a great American institution" — a game for all America. The owners are asked to remember that professional baseball is a small facet of the whole picture. Commissioner Ford Frick likes to point out that more boys than ever are playing baseball in organized leagues. It has been estimated that between 5 and 6 million boys in the age group between 10 and 20 years participate in baseball each year.

It is at the professional level that the slip is showing, especially in the minor leagues. While baseball attendance drops back from its peak years, pro football sets new highs with each passing season. Pro football drew about 5 million last year. The two big leagues of baseball were just shy of 19 million, a drop of about 5 percent and less than 2 million short of the all-time high in 1948.

19 MINOR LEAGUES

The minors who drew 41.9 million in 59 leagues in 1949 shrank to 10.9 million in 22 leagues in 1961. Only 19 expect to operate in 1962.

Many big league officials are not unduly excited about the minor league situation. They regard it as part of a long range backing and filling operation that will involve reclassification, realignment and a higher degree of cooperation between majors and minors on all levels.

It is quite possible that the majors and minors eventually will be supervised in the same central office. At present there is considerable duplication of effort.

GREAT UPHEAVAL

The deaths of the Southern Association and the Three-I League were just part of a great upheaval in the structure of the minors. The old neighborhood rivalry among the small cities that once dotted the minor league map in Class C and Class D has been replaced by the small fry leagues for youngsters between 10 and 20. Mom and pop have transferred their rooting interest to "junior" and "the kid next door." They find enough professional baseball on radio and TV to meet their needs.

The majors are studying a revolutionary change in the structure of the minors, based upon their own needs for the development of players, rather than upon the possibility of making money or breaking even at the lower level. Eventually only the larger cities, grouped geographically to save travel costs, will have professional baseball.

TALK OF 7 TO 1

There is talk of seven minor league clubs for each big league team. One at the top level, two at the intermediate level and four at the lowest level.

Challenge McGill For Point Leads

NEW YORK (AP)—The East, which hasn't had a major college scoring champion in basketball in 11 years, is tossing the big challenge this season to Billy McGill of Utah.

Statistics from the NCAA Service Bureau today show McGill still leading the national pack with a 37.1 average on 630 points in 17 games. They also show that sophomore Nick Werkman of Seton Hall and senior Jack Foley of Holy Cross are the Utah star's only serious challengers.

Werkman boosted his season average to 33. Foley lifted his average to 31.4.

Ohio State's two-time All-American, Jerry Lucas, leads in field goal accuracy with slightly over 64 per cent, while Tommy Boyer of Arkansas is ahead in free throw marksmanship with .948 per cent.

Chicago Loyola leads in team offense with 89.53 points per game to 89.52 for Arizona State U.; Ohio State is on top in field goal percentage with .562 to .507 for North Carolina.

DELAWARE ACE NOW 2ND IN MAC SCORING

Delaware's Dave Sysko moved into second place in the scoring race and Muhlenberg's Chris Hiotis took over the lead in field goals in statistics of the Middle Atlantic Conference's university division.

Sysko, Carneys Point, N. J., Sophomore who is sporting an average of 20.8 points a game, moved into the runnerup spot behind Gettysburg's Ron Warner who has a 26.6 average. Temple's Bruce Drysdale dropped to third after his average dipped to 19.8 points a game.

Hiotis, a Senior from Reading, has connected on 27 of 46 field goal attempts for 58.7 per cent to rank ahead of Lafayette's Gene Denahan, Trenton, N. J., and Bucknell's Hal Smoker, Sophomore from Tamaqua, Pa.

Lafayette's Mike McHale, Schenectady, N. Y., Junior, pulled abreast of Bucknell's Mike Fadden, Ocean City, N. J., Senior, to tie for the lead in free throws. Both men have scored 11 of 13 for 84.6 per cent.

TOP REBOUNDER

Chip Lundy, Lafayette Senior from Camp Hill, Pa., continues to lead in the rebounding department with an average of 19.7 rebounds a game. Delaware's Nate Cloud, Wilmington, Del., Junior, moved into the No. 2 slot this week with a 14.5 average, while Joe Steiner of Bucknell took over third place with an average of 11.9 rebounds a game.

Temple retained the team offense lead, with an average of 81.3 points a game, and moved into a tie with St. Joseph's for the team defense lead after limiting foes to 54.3 points a game.

would guarantee enough money to carry the load. The local franchise owner would be guaranteed against loss and given the incentive of profits, depending on his initiative.

Other minor leagues could be organized and operated, but they would have no guarantees of big league support.

While the owners mull over these problems, you can expect more shuffling in the minors—more mergers, more backing and filling, more indecision.

JACK BREAM CHOSEN AD AT LITTLESTOWN

John "Jack" Bream, head basketball coach at Littlestown High School, was named as the new athletic director at Littlestown Tuesday evening at the reorganization meeting of the school's athletic council.

Bream, a graduate of Gettysburg High School and College, replaces Clayton Evans who re-

JACK BREAM

signed after serving eight years as athletic director.

ADD SPORTS

Three new sports programs were approved for the 1962-63 school year.

They include track, to be coached by Gordon Warner, a graduate of Penn State University; girls' hockey, with Mary K. Sentz, girls' physical education instructor and an East Stroudsburg grad, in charge, and wrestling, to be in charge of Ron Lawhead, head football coach and a Shippensburg State College alumnus.

Marvin Breighner was re-elected as president of the 12-man council. Lawhead was named secretary and Lloyd Stavelly, treasurer.

NCAA SELECTS TARMAN FOR PR COMMITTEE

UNIVERSITY PARK—James I. Tarmen, former director of public information at Gettysburg College and now director of athletic public relations at the Pennsylvania State University, has been appointed to the public relations committee of the National Collegiate Athletic Association.

The NCAA Council, at its 56th annual convention recently concluded in Chicago, appointed Tarmen to succeed John T. Cox, U.S. Naval Academy, as representative of NCAA District 2 on the committee. That district includes Pennsylvania, New York, New Jersey, Delaware, Washington, D.C., and sections of Maryland and West Virginia.

The 10-man committee, concerned with the development of programs affecting NCAA public relations on a national level, will hold its first business session March 25-26 in Louisville, Ky., immediately following the NCAA basketball finals.

Tarmen, a 1952 graduate of Gettysburg College, was director of sports publicity and assistant director of public information at Princeton University before joining the Penn State staff in 1958.

Difficult To Evaluate New Colt 45 Team In Senior Loop

(Second of a series of major league appraisals for '62 written under the manager's own byline)

HOUSTON COLT 45S

By HARRY CRAFT

INVERNESS, Fla. (AP)—It is difficult to evaluate our Colt 45s, the South's first major league team, since a majority of the players came out of the pool from the original eight National League clubs.

Our main concern at the beginning of spring training will be sort of an indoctrination period to ac-

quaint all these players from various organizations with our new organization and our way of doing things.

The team that will report to Apache Junction for spring training will be comprised of 23 players who have had major league experience and 16 who have not.

SHUT ON POWER

I feel we will be better than average defensively, with a shortage of power, and with a pitching staff large in quantity and promising in potential. If some of the younger players can realize their full potential offensively, we could cause a little concern in our first year in the National League.

We have not set a goal for 1962 other than to show as much improvement as possible with emphasis on youth and try to be as competitive as possible.

The National League is a strong, well-balanced league with any one of six teams capable of winning the pennant. The proof of the strength of the league can be measured by the last two pennant winners—Pittsburgh being given little chance in 1960 and Cincinnati virtually none in 1961.

TRADE BENEFICIAL

We gave up our No. 1 choice in Ed Bressoud to obtain Don Buddin as our regular shortstop and we think the trade might prove beneficial.

Not many of the boys acquired in the pool have been given the opportunity of playing regularly in the past seasons. They feel they will have the opportunity with us. The ones we have talked to personally are happy and enthusiastic to be with Houston and if we can keep their morale, spirit and determination at its present level, I feel we can put a competitive team on the field to represent Houston in its inaugural season in the league.

I could mention names like Norm Larker at first, Joe Amalfitano at second, Hal Smith behind the plate and pitchers like Ken Johnson, Bobby Shantz and others but as I said earlier, there will be wide open competition for every spot on the club and the coaches and I will do everything possible to keep this competition alive to make the Colts the most interesting team possible.

CONVERT FOULS

A pair of free tosses each by Dave Samuels and Lou Martine in the last minute iced the decision for the Mount.

John O'Reilly led the Mount attack with 26 points and was also the top rebounder for the evening. O'Donnell led the losers with the same point output, 26.

The Mountaineers, 12-4 against all comers and 11-3 in strictly collegiate competition, will oppose New York University on the Violets' floor Friday evening.

May Use Old Gym Saturday Mornings

Starting this Saturday, youngsters of the area will be permitted to use the Eddie Plank gymnasium at Gettysburg College each Saturday for basketball from 9 a.m. until noon.

Lee Raffensperger, recreation director, said the Saturday morning hours will be the only time the gym will be open to the youngsters. Open play will be under supervision of the Recreation Dept.

He was still nursing the damaged heel Wednesday night, however, and was held to 11 points. A bigger test comes tonight when the Colts meet Western leader Los Angeles.

Los Angeles beat Detroit 123-122 in overtime Wednesday night. Syracuse rolled past New York 138-109 in the only other game scheduled.

RULING ITALY PARTY SWINGS TO LEFT TODAY

NAPLES, Italy (AP) — Italy's ruling Christian Democratic party swung to the left today in a move to give the country a new government backed by Pietro Nenni's Socialists, former allies of the Communists.

The Christian Democratic party congress, after five days of debate here, voted on Premier Amintore Fanfani's plan to scuttle his middle-of-the-road government and replace it with a center-left cabinet that could win Socialist support for a more vigorous domestic program of economic, social and school reforms.

The resolution put before the party delegates, although approving the "opening to the left" Fanfani has urged since 1956, pledged the party to maintain Italy's pro-Western foreign policy as a member of the North Atlantic Treaty Organization. It also rejected any move toward outright communism or fascism, declaring that any government backed by the Christian Democrats would work "in full independence of every totalitarian influence."

CONCEDED DEFEAT
The rightist faction of the Christian Democrats conceded defeat in advance by accepting only 22 of the seats on the party's national council. The rest went to backers of the opening to the left.

The Christian Democrats are the largest party in Parliament but do not have a majority, and Fanfani since August 1960 has headed an all-Christian Democrat government backed also by the Republicans and Giuseppe Saragat's Democratic Socialists on the left and the Liberals on the right.

Fanfani now hopes to form a coalition cabinet.

Farm Prices Drop From Last Year's

HARRISBURG (AP)—The State Crop Reporting Service said Wednesday average farm prices in Pennsylvania in January fell six per cent below those of a year ago.

The overall decline was sparked by decreases in prices received for livestock and livestock products. Average prices for wholesale milk and butterfat products also dipped heavily.

Egg prices on the other hand remained steady, while prices for meat type animals and chickens posted a modest increase.

State Settles Most Rights Of Way

HARRISBURG (AP)—The Highways Department reported Wednesday that it settled 5,825 of the 6,359 right-of-way claims against it without legal proceedings of any kind.

Highways Secretary Park H. Martin said this represented 90 per cent of the condemnation cases to be handled by his department.

The total cost of right-of-way claims was \$30,123,825, Martin said. The amicable settlements reached cost \$23,423,032.

Village Problem—Too Much Surplus

CATSKILL, N.Y. (AP) — This Hudson Valley village has a problem many larger communities wish they had: A perennial surplus in the treasury.

A state audit for the years 1956-61 noted: "In each year, general fund revenues were in excess of expenditures, resulting in operating surplus."

The cause, the audit report continued, was "underestimating revenues and overestimating appropriations."

LIPPI DENIES IMPLICATION IN BANK JOB

SCRANTON, Pa. (AP)—August J. Lippi's attorney has denied government charges that Lippi, president of District 1 of the United Mine Workers, was connected with a \$397,964 shortage at the First National Bank of Exeter.

The Scranton Times Wednesday quoted Atty. Edward L. Carey as saying that Lippi, board chairman of the bank who was arrested in Washington early Tuesday, knows nothing of the shortage reported by the bank.

The government charged that Lippi aided and abetted bank cashier George J. Dailada, 55, also arrested, in making false entries to cover checks written by Lippi.

TO RETURN HOME
Carey said the 61-year-old Lippi plans to return home this week, postponing a South American vacation. He is scheduled to be arraigned in Williamsport, Pa., Feb. 7 on charges of evading \$67,000 in income taxes. But this case has no connection with the bank charge.

FBI agents said that when they arrested Lippi he had a passport, an itinerary for a South American trip and a \$30,000 cashier's check in his possession.

An extradition hearing for Lippi was postponed until Feb. 27 because Carey was in court on another case.

RECEIVED PASSPORT
Meanwhile, in Washington, Asst. U.S. Atty. Frederick Smithson said he is considering requesting either the rescinding of passport privileges for Lippi or having his \$25,000 bail increased.

Smithson said Chief Judge Matthew F. McGuire of the U.S. District Court questioned the authority of the court to take away Lippi's passport privileges but that he would consider such a move if ally.

"My only objective is to insure that he (Lippi) is here on Feb. 27," said Smithson.

At Lippi's arraignment Tuesday, a U.S. Commissioner refused a request by the government to hike the bail to \$50,000. Lippi's request to have it reduced also was turned down.

IKE CALLS FOR GLORIFICATION OF HARD WORK

LOS ANGELES (AP)—Former President Dwight D. Eisenhower has called on Americans to "repudiate feather-bedding and to glorify hard work at all levels."

Addressing more than 2,000 persons at a Chamber of Commerce banquet Wednesday night, he declared: "Wherever malingering in any group or class if condoned—whether in management, scientist or worker—progress is destined to be slow."

IDLENESS DANGEROUS

"Adequate leisure is not only desirable, it is healthy for mind as well as body, but unwarranted idleness in any part of the population cannot fail, correspondingly, to slow up the rate of growth."

Eisenhower said the public grew suspicious of "make-work" projects—both public and private—during the depression years of the 1930s.

He added: "Later on, in the 1940s, huge demand for all varieties of goods and services led to inefficiency and to neglect of true productivity in work performed. Today we are not lacking in specific indications that we are drifting toward a feather-bed economy."

INTERRUPTS VACATION

"In saying this," he continued, "I am not referring merely to the make-work rules adopted by some unions; rather I think we should be concerned with all the practices and trends in fields that may put present affluence above needed accomplishment—that may diminish incentive, stifle competition and, in the name of security, lessen opportunity."

Eisenhower interrupted a winter vacation at Palm Desert, 130 miles southeast of here, for a two-day visit to Los Angeles. He is scheduled to meet with Republican workers today and to address a private \$100-a-ticket dinner tonight.

DENY KILLER HIS FREEDOM

HARRISBURG (AP)—Seymour Levin of Philadelphia, convicted sex-slayer, failed Wednesday in his plea for freedom.

The State Board of Pardons refused by a unanimous vote to free the 29-year-old Levin who was sentenced to life imprisonment in 1949 for the sex-killing of 12-year-old Ellis Simons.

The four-man board, in executive session here, ruled the petition was premature. It also cited the strenuous objections made by Dist. Atty. James C. Crumlish Jr., and his staff.

Morton Witkin, Levin's attorney, pleaded for Levin's release when the board met in Philadelphia Jan. 18.

STABBED 50 TIMES

Levin was convicted of killing the boy following a sex offense. He enticed Simons into the Levin home, sexually molested him, and then in fear stabbed him more than 50 times with a pair of scissors and a kitchen knife, authorities said.

Last Oct. 10, Witkin filed a lengthy application with the board. In it, Levin described him-

IN GREAT DEMAND

Last June he was chosen to be among the guests artists of Los Angeles' First International Music Festival and appeared in two contemporary oratorios, "Joshua" (Waxman) and "Abraham in Egypt" (Elinor Remick Warren). Later that month he sang Solomon in Handel's "Solomon" at the Caramoor Festival in Katonah, N. Y., and followed this last July with performances of Stravinsky's "Oedipus Rex" and Mozart's "Marriage of Figaro" with the Santa Fe Opera. Then the west coast again heard him in the Hollywood Bowl where he sang with orchestra the "Romeo and Juliet" of Berlioz.

He has appeared 44 times with the Boston Symphony Orchestra in the last seven years. During this winter and spring season he is fulfilling two return engagements with the National Symphony. Last December and next March he performs in the nation's capitol. This season he is also appearing as a guest artist with the Minneapolis Orchestra. He has sung with the Cleveland Orchestra, the Detroit Symphony, the Minneapolis Orchestra, the San Francisco Symphony and the Chicago Symphony. He has been heard with the American Opera Society in Town Hall, N. Y., and the Opera Society of Washington, D. C. The fact that so many noted conductors request his services is a testimonial to this young artist.

Just as frequently Gramm is guest soloist in the major summer concert series. He has sung three times in Alaska at the Anchorage Festival. His appearances in recent seasons with other prominent summer festivals include those of Ann Arbor May, Aspen, Bethlehem Bach, Boston Arts Festival, Brevard, Caramoor, Cincinnati May, Grant Park, Hollywood Bowl, Moravian, Redlands and others.

DEBUT AT 17

Gramm was 17 when he made his opera debut as Raymond in "Lucia di Lammermoor" at the Eighth St. Theater in Chicago for a fee of \$15. Since that day he has proved a handsome and convincing example of the opera singer.

He is the younger of two sons of a Milwaukee, Wis., high school math teacher. At 15, Gramm played the pipe organ at the Salem Evangelical Church in Milwaukee. The next year he began studying voice and during his senior year in high school won the coveted first prize of best male singer at the mammoth Chicago-Land Music Festival attended by 90,000 people and sponsored by the Chicago Tribune. He then began four scholarship-financed years at the Chicago Musical College. Three times he won the Oliver Ditson award, which he topped with a Paul Lavalle Scholarship, the largest given by National Federation of Music Clubs. Today Gramm has sung in 31 of our 50 states. He has yet to make his European debut. Claudia Cassidy in the Chicago Tribune describes him as "a big talent taking long strides on his way up."

ADAMS COUNTY PUBLIC LIBRARY

BEST SELLERS
Mrs. W. R. Schubart

Readers sometimes want to know if the best selling books can be obtained at the county library. The answer is that of 32 titles appearing in the current New York Times' best seller list 25 are on the library shelves and of the remaining seven several are on order. Ready for withdrawal are the following:

FICTION

"Franny and Zooey" by J. D. Salinger; "The Agony and The Ecstasy," Irving Stone's story of the Renaissance artist, Michelangelo; "To Kill a Mockingbird," Harper Lee's delightful story of southern childhood; "A Prologue to Love," by Taylor Caldwell, a story of the richest women in the world; "Spirit Lake," in which Mackinlay Kantor, the author of "Andersonville," describes an Indian massacre in 1858; "Daughter of Silence," by West, about murder in Italy.

Other novels are: "Chairman of the Board" by Ed Streeter who is known for his "Father of the Bride." This one is a humorous story of a magnate who retires to a farm, only to scurry back to the city a year later; "Clock Without Hands" is another Carson McCullers southern book; "The Judas Tree" by A. J. Cronin is a

study in selfishness.

"Captain Newman, M.D." takes place in the psychiatric ward of an Air Force base and was written by Rosten of "Hyman Kaplan" fame; "Mila 18" by Leon Uris who also wrote "Exodus" describes the 1943 uprising in the Warsaw ghetto; "A New Life" by Malamud explores a man's experiences while he teaches at a mythical college.

NONFICTION

"My Life in Court" by Louis Nizer. Seven big trial cases are described in this one; "The Making of the President, 1960," White's study of American politics, earlier reviewed by this column; "Living Free," a continuation of Joy Adamson's story about Elsa, the lioness, and her cubs; "The Rise and Fall of the Third Reich."

In "A Nation of Sheep" Lederer chides us for political conformity; "The New English Bible: New Testament"; "The Coming Fury" in which Bruce Catton traces the blundering road to Civil War.

"Citizen Hearst" by W. A. Swanberg reveals the fabulous life and career of the former newspaper publisher; "I Should Have Kissed Her More" is further memoirs of the irrepressible Alexander King;

"P.T. 109," Donovan's book on President Kennedy's war adventures; "Ring of Bright Water," or sharing your home with others by Maxwell (also reviewed earlier), and "The Age of Reason Begins" which is Vol. VIII in a history of civilization series by Will and Ariel Durant. This vol-

GOP HOLDS 17 FUND RAISING DINNERS IN U.S.

By W. B. RAGSDALE JR.

WASHINGTON (AP)—Republican party faithful will dine tonight, listen to top GOP brass and—hey hope—help wipe out the party deficit.

The 17 fund raising dinners will be the Republicans' first big rallies of the new year—a congressional election year in which they hope to cut deeply into Democratic majorities in the House and Senate. Party leaders have said this won't be easy.

Sen. Thurston B. Morton, R-Ky., former GOP national chairman, pointed to two weak spots in party armor Wednesday in a speech before a Young Republicans national leadership conference in a suburban Virginia motel.

First, he said, the Republicans lack a strong organization in the big cities. This has been pointed out many times by Republicans since President Kennedy's narrow

vote encompasses the period from 1588 to 1650.

These general works appear on the seven-day shelf. The novels are first put on the rental shelf, but they are not catalogued until later. So if you cannot find them, ask a librarian.

NEED STRONG FIGHT

Next, Morton said, the Democrats, led by Kennedy, have outmaneuvered Republicans "on many levels and we are being placed in the position of being again everything."

Morton, who is up for re-election himself, said unless the GOP makes a strong showing in this year's congressional elections, the Republican nomination for president will have little meaning in 1964.

"They ask me who is going to be the standard bearer in 1964," Morton said. "If we don't make gains in 1962, we're going to have to hunt for somebody to run for president."

EXPECT 30,000

Courtney Burton, GOP finance chairman, predicts more than 30,000 persons will attend the \$100-a-plate dinners tonight, and thousands more will attend similar functions at later dates.

He predicted the dinners would gross more than \$1.5 million to be divided among national, state and local Republican committees. The national committee currently has a deficit of about \$600,000.

Featured speakers tonight over a closed circuit television hookup will be former President Dwight D. Eisenhower, from Los Angeles; former Vice President Richard M. Nixon, from Fresno, Calif.; National Chairman William E. Miller, from Washington; Sen. Barry Goldwater of Arizona, from Cleveland, and Gov. Nelson A. Rockefeller of New York, from Des Moines.

BERKERY GUILTY

PHILADELPHIA (AP)—John C. Berkery, one of three men convicted in a burglary at the Pottsville home of John B. Rich, has been found guilty of driving without a license on two occasions. Sentencing was deferred at his trial Wednesday pending motion for a new trial.

JAILED ON HANDBILLS

SUNBURY, Pa. (AP)—An Arlington, Va., man was arrested in Sunbury Wednesday as he distributed handbills protesting cancellation of a speech by George Lincoln Rockwell at Bucknell University.

City Alderman E. W. Lantz identified the man as Seth D. Ryan, 23. Ryan drew a \$10 fine and, unable to pay it, was ordered to jail for 10 days.

SCIENTIST TO BE WATCHING MR. GROUNDHOG

UNIVERSITY PARK, Pa. (AP)—When the groundhog pokes his nose out of the ground Friday there'll be a scientist or two staring right back.

It might frighten the furry little fella right out of his shadow, but the scientists have some questions about the legendary prowess of groundhogs to forecast weather.

One of the scientists will be Dr. David E. Davis, professor of Zoology at Pennsylvania State University.

HE'S CONSISTENT

Davis has been studying the habits of groundhogs for six years to learn more about kidney disease. His study has led quite, naturally, to the animal's hibernation habits.

There may be some sceptics who doubt whether the groundhog's seeing his shadow really portends winter weather for the next six weeks, but Davis can attest he does emerge from hibernation about the same time every year.

Why is the groundhog so consistent and why is it that the male always comes out a week or two before the female?

HE'LL BE WATCHING

"That's what we'd like to know," said Davis. "It's a beautiful puzzle."

Davis' studies have been centered in Franklin County in south-central Pennsylvania.

Davis plans to be in the Franklin County area around Chambersburg Friday to keep an eye on groundhog holes.

QUEBEC BUYS PLAYER

QUEBEC (AP)—The Quebec Aces of the American Hockey League announced Wednesday night the purchase of center Ed Hoekstra from the New York Rangers.

Hoekstra, 24, will join the Aces today. He scored 23 goals and 27 assists this season with Kitchener-Waterloo of the Canadian Eastern Professional Hockey League.

AD PRESSURE ON TV CONTENT IS DWINDLING

WASHINGTON (AP)—A television network official says advertisers have been allowed to control the content of entertainment programs because they pay for them. But the practice is on the decline, he added.

The testimony came Tuesday from Mort Werner, National Broadcasting Co. vice president in charge of network television programming, as the Federal Communications Commission continued its study of network program policies.

The hearings were recessed today while the FCC held its regular monthly meeting, but will resume Thursday with further questioning of NBC executives.

Werner said that sponsor taboos have been accepted by the networks on the theory "that the man who pays the bills has a right to some voice in shaping the product."

Werner said most sponsors reserve "a measure of control in terms of corporate policy or business policy." For the most part changes suggested or insisted upon because of this reservation are not significant insofar as basic program content is concerned.

"A cigarette sponsor bans cigar smoking; an automobile manufacturer doesn't want an auto accident in the story. These requirements do not really interfere with the entertainment objective of the programs or with their creative integrity."

REIMS, France (AP)—"I was jealous because he baked better croissants than I did," said baker Robert Jactat when asked to explain why he had spread tactics in front of a rival's store. Jactat was fined 600 francs—about \$125.

Drug Firm Gets 2nd Extension

HARRISBURG (AP)—The Kildonk Chemical Co., Lock Haven, has been given until May 1 to comply with a State Health Department regulation regarding the control of beta-naphthylamine—a chemical which can cause bladder cancer.

The department's Advisory Health Board, Health Secretary Charles L. Wilbar announced Tuesday, granted the extension at the request of the firm.

The regulation outlaws the manufacture, use, storage, transfer or handling of the chemical—which Wilbar described as a "highly carcinogenic" faint pink powder used in the dye industry.

This is the second extension the company has received since the regulation was adopted in October, 1961.

Dick Tiger Named Fighter Of Month

NEW YORK (AP)—Dick Tiger's knockout triumph over Cuba's Florentino Fernandez has earned the Nigerian the "fighter of the month" award from Ring magazine and a boost in the middle-weight rankings.

The British empire 160-pound champion was elevated over Paul Pender, former middleweight champion from Brookline, Mass., to the No. 2 contender's position. Pender was dropped to third. Ring recognizes England's Terry Downes as world champion. Gene Fullmer, the NBA middleweight king from West Jordan, Utah, is the No. 1 contender in the monthly ratings released today.

Eder Jofre of Brazil settled the dispute over the bantamweight title by knocking out Johnny Caldwell of Ireland. Caldwell was dropped a notch and now ranks as the No. 2 contender behind Mexico's Joe Medel.

Epicurean touch for company: marinate cooked frozen artichoke hearts in French dressing and add to a tossed green salad.

LOW EARNINGS TALKING POINT FOR U.S. STEEL

By ROGER LANE
AP Business News Writer

NEW YORK (AP)—U.S. Steel Corp. was primed today with an argument of shrinking profits as it looked ahead to a possible early start of industrywide wage talks.

Roger M. Blough, chairman, attributed the No. 1 producer's 1961 earnings—lowest since 1952—to rising costs, mainly employment expense, in the absence of a general price increase since 1958.

Blough said the resulting cost-price "maladjustment" was hurting the industry through lower production, and its workers through loss of jobs, in stiffening competition from foreign-made steel.

The "big steel" executive also told newsmen Tuesday he had hopes of concluding a new contract with the United Steel Workers Union before the present pact expires June 30.

He disclosed a secret meeting within the last two weeks with Secretary of Labor Arthur Goldberg, who has been prodding industry and USW leaders to resolve their differences promptly this year.

Goldberg is a former general counsel of the USW.

He declined to say what transpired.

WASHINGTON (AP)—The Navy says Mrs. John F. Kennedy has accepted an invitation to christen the first of a new class of nuclear submarines.

The announcement said the First Lady will christen the 11th Polaris missile-firing submarine, to be known as the Lafayette. Launching is scheduled May 8 at Groton, Conn.

Sharman Takes Job As Pipers' Coach

CLEVELAND (AP)—Bill Sharman, who made a big jump from Boston player to Los Angeles coach, is now in Cleveland as coach of the Pipers of the American Basketball League.

The 31-year-old Sharman, a basketball ace of the Boston Celtics of the National Basketball Association for 10 years, was hired by the Pipers late Tuesday after John McLendon walked out in a feud with owner George Steinbrenner.

Sharman had been coach of the Los Angeles Jets until that team folded operations a few weeks ago.

Under McLendon the Pipers had won the first half championship in the Eastern Division, but now are in last place after dropping seven of nine games.

ADVERTISE IN THE TIMES

NUCLEAR SHIP GOES TO SEA

CAMDEN, N. J. (AP)—The N.S. Savannah, the world's first nuclear-powered cargo-passenger ship, put out to sea Wednesday on her maiden voyage.

The ship eased into the Delaware River from the New York Shipbuilding Corp. dock where she was built, and headed into the Atlantic Ocean on a two-day trip to Yorktown, Va.

She was operated by oil-fired auxiliary steam power since her atomic reactor, warmed up to 10 per cent of capacity, still is undergoing tests which may take a few months more.

The Savannah is bound for a Navy pier at the Coast Guard Reserve Training Center, Yorktown, Va., on the south bank of the York River, 10 miles upstream from Chesapeake Bay. From Yorktown, when her nuclear boiler is fully operable, she will make her first sea voyage under full atomic power.

Giardello, Sugar Ray Bout Proposed

PHILADELPHIA (AP)—Joey Giardello, eighth-ranked National Boxing Association middleweight contender, may get Sugar Ray Robinson as his next opponent after defeating Henry Hank of Detroit by a split decision in a 10-round feature bout.

The decision over the ninth-ranked Hank, who had beaten Giardello in Detroit last July, drew boos from many of the 5,867 fans in Convention Hall Tuesday night. Giardello weighed 164, Hank 163½.

Co-promoter Al Lewis has proposed matching the winner with Robinson in a bout at Convention Hall.

1961-62 Lyceum Series of Shippenburg State College at 8:15 p.m. Tuesday, February 13, in Memorial Auditorium. The Amerita operates under the honorary patronage of Eugene Ormandy and presents Italian and American music from all periods. It is sponsored by the American-Italy Society of Philadelphia, a nonprofit educational organization fostering closer ties between the U.S. and Italy through cultural channels.

BLAST WRECKS HOMES; 4 HURT

HUNTINGDON, Pa. (AP)—An explosion touched off a fire which destroyed four homes and injured four persons in the center of nearby Mapleton.

The cause of the explosion, which occurred at the home of Vernon Bell, was not known immediately. Loss was unofficially estimated at \$60,000.

Mrs. Bell, 35, was reported in fair condition at Huntingdon Hospital. Mrs. Eugene Anderson, 23, Richard Lee Snare, 24, and Clyde R. Burkey, 29, were listed in good condition.

The homes of J. Frank Matten and Mrs. Martha Bennett were destroyed along with the Anderson and Bell dwellings. Four other houses were damaged.

Fire Chief Buddy Keyler said he was told that Snare and Burkey, Huntingdon Gas Co. employees were repairing the gas system in the basement of the Bell home when it filled with gas. He said they told Mrs. Bell to open the door and when she did the blast occurred.

DILWORTH NOT GREEN CHOICE FOR GOVERNOR

HARRISBURG (AP)—U.S. Rep. William J. Green Jr., Philadelphia Democratic chairman, has indicated he will attempt to block Mayor Richardson Dilworth of Philadelphia from getting the party's endorsement as the gubernatorial candidate.

"If I had a favorite in Philadelphia it would be my good friend (Lt. Gov.) John Morgan Davis," Green said Wednesday prior to a three-hour meeting of top Democratic policy makers.

While no agreement was reached on candidates, State Chairman Otis Morse said: "We made some progress. We will meet again Feb. 14."

DISCUSSED 8 OR 10

Green and virtually all of the other top leaders, including Gov. Lawrence, declined to disclose specific details of the meeting but it was understood that Green did not second the motion of U.S. Sen. Joseph S. Clark, who admitted he supported Dilworth. At the same time, it was understood, Green did not advance a candidate of his own. Morse said the names of "eight or 10" potential candidates were discussed.

Intimates of Green say he has reached the conclusion Dilworth could not win in November. His

opposition to Dilworth, it was said, is not based on any personal feeling. A Democratic organization poll was issued in Philadelphia Tuesday stating that of the registered Democrats who were queried 53 per cent opposed Dilworth. Dilworth forces maintained Wednesday this was not the case.

DAVIS PLEASED

Following the policy session, Davis said of Green's statement:

"I'd consider it a great privilege to be the candidate."

He added, however, he would not consider running without organization backing.

The lieutenant governor gave indications that his name was discussed more than casually as a gubernatorial prospect.

"I do not think it is necessary for me to announce my candidacy yet," said Davis. "But then when in Pennsylvania history has a lieutenant governor not been a prospect for governor?"

DILWORTH SILENT

Clark, asked whether he was backed for re-election to his Senate post, declined to comment. He already has announced his candidacy.

"I supported Dick (Dilworth)," he declared, when asked what went on at the meeting. He refused to comment further.

When Dilworth emerged from the meeting, his expression was noncommittal. He declined to comment on grounds "the only fair thing to do" was to let Morse act as spokesman for the meeting.

OTHER NAMES

But he said he still plans to issue a statement Feb. 12. That is the day his resignation as mayor becomes effective. Under the Philadelphia charter he cannot announce his candidacy for another office unless he leaves the mayor's post.

"Besides Dilworth and Davis, the only names prominently mentioned as possible candidates for the Democratic gubernatorial nomination, are Judge Clinton B. Palmer, Northampton County, Judge Warren Hess, Berks County, and former Lt. Gov. Roy E. Furman.

A Lovelier You

By MARY SUE MILLER

GRACEFUL MANEUVER

It has been said that when a person steps on your toes, he is not the awkward one. More likely you are the guilty party — for letting your feet get into an entangling position. And it could be!

As an instance, take the hostess who turns to receive a guest. He'll nick her toes for sure if she shuffles her feet. Worse, the

guest will feel embarrassed and the hostess will limp about in scuffed slippers.

Surely there would be fewer mishaps if more women knew how to right-about-face. We girls make the move dozens of times daily—at home or in the office, or just to sit down in a chair. And then it is not our toes that are in jeopardy, but our grace and poise.

The point can be proven simply by observing the maneuvers of other women — how, in coming about, they either whirl like dervishes or teeter like toddlers. Actually it would be easier to give a smooth performance, and so much more attractive. Here's all you have to do:

Center your weight on the ball of the right foot. Take a small step forward with the left foot. Lift both heels a fraction and pivot on the toes until you face in the opposite direction.

After a bit of practice, all those

Journalist Dies In Somerset At 86

SOMERSET, Pa. (AP)—Henry Baker Riley Sr., a long-time veteran of Pennsylvania journalism, died early today at the age of 86.

Riley, editor and publisher of the Somerset Daily American, died at Somerset Community Hospital where he had been since Sunday. The hospital listed a cerebral thrombosis, or stroke, as cause of death.

Founder of the family-owned newspaper, Riley had been working regularly until he was hospitalized. His son, Henry B. Jr., is managing editor of the Daily American.

Riley was born in Shireleysburg on Feb. 18, 1875. He founded the Brownsville Telegraph in 1915, publishing it until he left in 1929 to start the Daily American.

Funeral plans have not been completed.

Johnstown Incline Ceases Operations

JOHNSTOWN, Pa. (AP)—The Johnstown incline, one of the steepest passenger-carrying inclines in the world, ended 70 years of operation at midnight Wednesday.

Since 1891, incline's two cable-connected, counterbalancing cars carried commuters and tourists from Johnstown up a 71 per cent grade to Westmont Borough, 502 feet above, and back down again.

Only recently the incline was renovated by volunteer workers, and traffic on it had been heavy

SAYS INMATES DO NEED WORK

HARRISBURG (AP)—Rep. Harris G. Breth, D-Clearfield, thinks more emphasis should be given to rehabilitating criminals than to confining them.

Breth, chairman of the Joint State Government Commission, questioned the need to construct

since the closing was announced.

Westmont Borough, which operated the incline was forced to close it because its power source, the Bethlehem Steel Co., was changing to an incompatible power system.

new prisons in the state Wednesday, saying:

"It's my personal opinion that to build institutions similar to Eastern or Western (correctional institutions) elsewhere in the state under today's conditions and make them large enough to adequately take care of the situation in the next 10 years probably would cost \$75-\$100 million."

NEW PRISON LOCATIONS

"The question is whether much

less than that would do the job better by expanding forestry camps, from colonies and other minimum security institutions."

Breth gave his opinion following a meeting of a commission task force established to study possible new locations for the prisons at Philadelphia (Eastern) and Pittsburgh (Western).

He also said that a legislative resolution has charged the task force to study the type of institu-

tions to be built.

The task force named Ephraim R. Gombert, executive vice president of the Crime Commission of Philadelphia, Inc., as chairman of an advisory committee to work with the task force.

Chairman of the task force is State Sen. Harry E. Seyler, D-York.

Ray Roberts Wins Rayburn's Seat

SHERMAN, Tex. (AP) — Ray Roberts, a merchant and president pro tem of the Texas Senate, has won the U.S. House seat of his political mentor, the late Sam Rayburn.

The 48-year-old Democrat, jubilant almost to the point of tears, said he was succeeding "the greatest man who ever lived."

He promptly telephoned Vice President Lyndon B. Johnson, long a political associate, and arranged a victory meeting in Washington Monday.

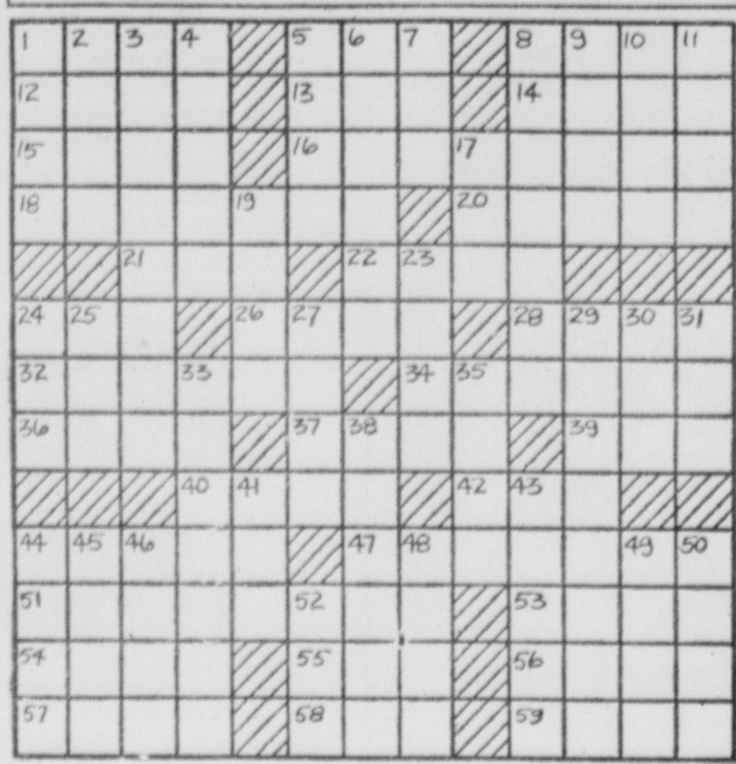

Roberts defeated Robert C. (Bob) Slagle in Tuesday's runoff election in Texas' 4th congressional district, represented by Rayburn for 48 years.

When the vote count ended Tuesday night Roberts held an insurmountable lead of 16,047 to 13,302 and Slagle had conceded.

Both Roberts and Slagle were proteges of Rayburn and both described themselves as supporters of the Kennedy administration, although Roberts was regarded as more conservative.

Obey turned out to be one of the best "second" horses among the 1961 juvenile colts. In 14 starts he won three times and finished second on seven occasions. He also ran third once. His earnings were \$123,765.

Surveys will prove most anything, we guess. We just read one that said people visit the neighborhood pharmacy more than any other store.

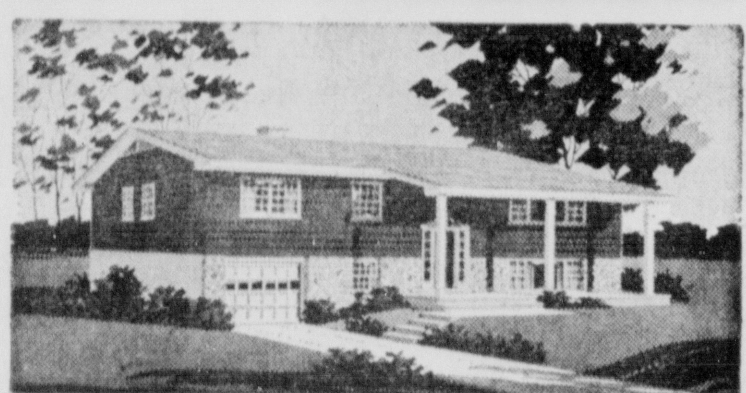

Well, we can believe that... we see our friends lots more often than, say, the folks at the shoe store. That's because of the variety of products we sell and the extra hours we're open.

And, of course, in time of illness we're your source of medication... prepared to the highest professional standards.

HOLD SCHOOL AT EUB CHURCH

The Taneytown Leadership Training School is being held in the Messiah Evangelical United Brethren Church Monday and Tuesday evenings at 7:30 p.m. This past week there was a fine representative of the churches of the district. The teachers are Mrs. Emma Myers of Westminster,

who is teaching the course, "Teaching Children in the Small Church," and Dr. Charles Crain of Western Maryland College, teaching the course on "The Life and Teaching of Jesus." The laymen of these churches are invited to join these classes. There is no registration fee for the course.

Sunday, February 4, marks the 23rd wedding anniversary for Rev. and Mrs. William F. Wiley. They were married in Mooresville, N.C., February 12 will mark the 23rd anniversary of Rev. Wiley's ordi-

nation to the ministry. Betty Wolfe and Carol Koons each gave a demonstration at a recent meeting of the Taneytown Girls 4-H Club at the home of Miss Wolfe. President Betty Stonesifer presided, and 12 members attended.

The girls will sponsor a talent show for 4-H Clubs at the Carroll County Agriculture Center in Westminster March 17 beginning at 8 o'clock in the evening. Admission is 30 cents for those over 10 years.

Refreshments were served after the business session.

ONE-SIDED THREE-SOME
BIRMINGHAM, Mich. (AP) — Bobby Brue's opening round 69 in the National Open was all the more remarkable because of the scores turned in by rivals in his threesome. Amateur Dale Morey of Morganton, N. C., shot an 82 and pro Al Fennell of New City, N. Y., scored 80. Brue, with a 35 on the front nine, led each rival by four shots at the turn.

D.A. TO SEEK INDICTMENT IN EMBEZZLEMENT

CARBONDALE, Pa. (AP)—U.S. Atty. Bernard J. Brown says he plans to ask federal Judge Michael H. Sheridan to recall last October's grand jury early in February to seek indictments against a bank official and a cashier charged in connection with a shortage.

Brown said Tuesday he would seek indictments against August J. Lippi, 61-year-old board chairman of the First National Bank of Exeter, charged with aiding and abetting false bank entries, and George Daileda, 55-year-old cashier charged with understating accounts totaling \$397,000. The FBI said the alleged false entries were made to cover checks Lippi allegedly wrote.

Lippi, who also is president of District 1 of the United Mine Workers of America, Tuesday was granted a delay to Feb. 27 in a hearing in Washington on his removal to Pennsylvania to face the charges. He did not testify.

READY FOR TRIP

Asst. U.S. Atty. Oscar Altshuler of Washington testified at Lippi's hearing that when he was arrested in a Washington hotel early Tuesday he had with him a check for \$30,000, a passport, a travel folder and an itinerary drawn up

for South America by a travel agent.

Lippi, who said he was in Washington attending a meeting of the International Executive Board of the mine workers union, lost out in his bid to have his \$25,000 bond reduced. He was freed, however, on the bond which he had posted before the hearing.

At the same time Altshuler was unsuccessful in his petition to have the bond boosted to \$50,000.

U.S. Commissioner Sam Wetzel told Lippi: "I understand you were in Washington for business reasons and the trip to South America was not for running away but just a vacation."

"That's it," replied Lippi. Meanwhile, there were these other developments in the case: —Thomas Kennedy, of Hazleton, Pa., president of the UMW, said the union does not have stock in the Exeter bank Kennedy said he would have no comment on the case until it is disposed of.

—The directors of the bank issued a statement following a special meeting. The statement said: "An examination of bank records has revealed a shortage in an amount totaling approximately \$400,000 which may involve George Daileda, cashier, and August J. Lippi, immediate past president.

All shortages and losses are completely covered by \$1 million bond insurance which fully protects all depositors. Immediately upon discovery of the shortage (Monday morning) all bonding companies were notified."

The directors also noted there was no undue activity at the bank Tuesday.

Family Food Facts

By THOMAS E. PIPER
Area Marketing Agent

Several weeks of warm weather and good growing conditions will be required before fresh produce supplies and prices get back to normal, observes Tom Piper, Penn. State Extension Marketing agent. Cold temperatures and heavy rains penetrated the growing areas of California and Arizona last week, slowing up harvesting operations and delaying the maturity of vegetable crops. Coming on the heels of the recent cold-wave, this adds still more confusion to our supply pattern and maintains upward pressure on prices.

Potatoes and vine-ripened tomatoes are lone survivors on the list of good buys. Sweet potatoes, cabbage, kale, radishes, peppers, carrots, mushrooms, turnips, and green beans are reasonably priced. Onions, broccoli, Brussels sprouts, cucumbers, lettuce, celery, spinach and the tender leafy vegetables are priced much higher than a year ago.

Shipments of oranges and grapefruit have been light as picking crews are harvesting freeze-injured fruit for processing plants. Citrus quality remains good but prices are firm. Bananas are in light supply with firm prices. Plentiful Stayman and Rome apples are clearly on the list of good buys. Early season

strawberries as well as grapes and pears are available but at firm price levels.

Fresh pork shoulder including Boston butts and picnic hams will provide economy at the meat counter this week. Announcement that the government would quit buying pork and gravy for the School Lunch Program is said to be a contributing factor in this supply situation.

Chuck roasts, ground beef, turkeys and frying chicken will be subject to promotion in some foodmarkets. This is National Kraut and Frankfurter Week and some stores are expected to include these items at promotional prices. Egg supplies are increasing seasonally, remaining on the list of economical foods.

Milk and dairy products are in plentiful supply and provide an economical source of food nutrients. In spite of surplus production, the dairy product consumption declined last year. This fact worries nutritionists because milk is so important to good health.

Demand for canned and frozen vegetables is likely to be stronger than expected for the rest of the winter due to recent damage to fresh vegetables in Florida and Texas. The supply picture is relatively good for these items, thanks to a large 1961 pack. Canned corn, green beans and sauerkraut are in very good supply; stocks of canned peas are below a year ago.

Forestry Groups Backs Project 70

HARRISBURG (AP)—Gov. Lawrence's comprehensive plan to expand outdoor recreation facilities in the state is being backed by the Pennsylvania Forestry Association.

The association announced Monday that its Board of Directors voted unanimously last weekend to support the program known as Project 70.

Eugene F. McNamara, the association's president from Stroudsburg, said the organization has always championed the wise use of

resources "for the greatest good for the greatest number in the long run."

"We believe that Project 70, particularly by making Pennsylvania a more attractive place to live, will certainly be meeting this criterion," he said.

The association boasts a statewide membership of about 1,000 persons.

Project 70 is a proposal to provide Pennsylvania's populated areas with additional outdoor recreation facilities within easy reach. It is to be financed by a \$70 million bond issue.
